SOME OF Y'ALL NEED TO COME BACK TO REALITY... WALKING AROUND HERE DOWNGRADING PEOPLE BECAUSE OF THEIR STRUGGLES...STOP ACTING LIKE YOU NEVER HAD TO CALL AND GET A BILL EXTENDED...STOP ACTING LIKE YOU NEVER HAD TO EAT WHAT U HAD BECAUSE U COULDN'T AFFORD WHAT U WANTED...STOP ACTING LIKE U NEVER HAD TO CATCH A BUS OR A RIDE WITH SOMEONE BECAUSE U DIDN'T HAVE A CAR... STOP ACTING LIKE U NEVER HAD ANYONE IN YOUR FAMILY OR CLOSE TO U THAT DO OR BEEN ON DRUGS...STOP JUDGING PEOPLE AND THEIR STRUGGLES.... REMEMBER...GOD SIT HIGH AND LOOK LOW... BE MINDFUL...BECAUSE THE STRUGGLES SOMEONE IS GOING THROUGH TODAY CAN TURN AND BECOME YOURS TOMORROW...

Nothing worse than losing a friend because they didn't think they had anyone to talk to😢, so.....Even in my own struggles. Phone is always on, door is always open and a drink can easily be poured. Doing a real friend check. 😎 Support each other. I need eight people posting the message not sharing it, to show you're always there when someone needs to talk. I have an idea of who will say done.
WHO ARE MY 8?

If God brought you back from the dark side of life. Then don't even listen to what the devil has to say .
Haters will always try to bring you down.
Lastly, anyone or anything that are not part of your and solution and recovery .are part of the problem.
So let God guide too
One day at a time

Just something you might want to ponder deeply if the anti christ comes before the rapture. I have studied the Bible a lot in my life, in many different forms and it really does always come down to this. I have been hearing about the second coming of Christ and the events unfolding since I was a kid. The "Mark of the Beast", microchips, no cash society, Marshall Law, Total Government dependency/control. When we are raising a family, working long hours, some two jobs, lots of things go unnoticed or just get ignored.
No one can comprehend how bad it will be.....till it is. We have NEVER been told to stay home, quit work and rely on the Government. WE are seeing a lot of "firsts" since January. Can our minds and bodies handle what's coming?
Not without God - I wonder what doctor they will have on the news explaining the rapture and the disappearance of so many people? I won't be here for it but it's just a thought.
While the devil is preparing people for the Anti Christ, God is preparing people for the Rapture. I don't know when the rapture will take place but I know that I won't be left behind when that trumpet sounds!
I also believe right now that God is giving us a chance to repent. We need to get the Gospel message out!!! Until the Good Lord calls me away from this world to go home, I want to make it clear that I believe in Jesus Christ as the one and only True Lord and Savior. Despite the fact that I am human, and I fail a lot, I believe that Jesus is the Son of God.
I believe that He came as a baby, I believe that He died on the cross as a sacrifice for our sins and that He rose from the dead on the third day and He is in Heaven preparing a place for all those who believe and trust Him as their Savior. He loves us all dearly (far more than we deserve) and forgives our sins when we repent. His Word says John 3:16 "Whosoever believeth in Me , shall not perish but have ever lasting life."
Matthew 10:33 says, "But whosoever shall deny me before men, him will I also deny before my Father which art in heaven."
This is the best challenge I have seen on Facebook; so, if the Holy Spirit moves you and you're not ashamed, just copy, and make this as your status update.

"Scared"es una canción del álbum "New" de 2013,que no figura en la lista de canciones del álbum,y por lo tanto ,se considera una canción "secreta".Aparece en las ediciones Deluxe.
PAUL:"Empecé a escribir ésta canción hace una par de años, cuando salía por primera vez con Nancy.Solia llamarla todas las mañanas y sabía,debido a la diferencia horaria (estaba en Nueva York) que tenía unas horas para escribir algo.Luego la telefoneaba y le decía:"Quieres escuchar una canción?.Fue una buena motivación para mí escribir algo.Mi canción Scared trata sobre tener miedo de decirle "te amo"a alguien.Creo que,sobre todo para los chicos,no es fácil decirlo con convicción, así que estaba jugando con esa idea.

You're so strong and big down under and I can't stop thinking about you.Omg if we we were alone right now i would push you on the bed and get on my knees. While looking into your eyes i would slowly unzip your pants and take your dick out and slowly start jerking it till your hard. Then i will lick the bottom of your dick and then take the whole thing in my mouth while i massage your balls.I'm going to slowly trace my lips over yours, softly massaging them. Then I'm going to kiss you...from your lips...to your neck...down to your chest...down to your cock. But, I'm not going to take it straight into my mouth. I'm going to keep kissing it until you beg me for more

How about you and I jump between the sheets before date night."
"Do you think I would look better in a skirt or tight jeans?"
"Tonight I want to slowly kiss my way from your lips down...the only question is how far down will I go?"
"Remember that place where we had sex...(insert place)? I kind of want to go there again."
"I can't sleep – all I can think about is what we would be doing if you were here with me ..."
"I wish I was lying there next to you ... naked."
"When you touch me I feel like I'm on another planet."
"When you kiss me it feels electric-like something is running through my body. It's so intense."
"Making love to you feels different than anything I've ever experienced. I'm in another world."
"I could feel you touching me forever. It's the best and most peaceful feeling in the world."
"I need you. All of you. And I want to give all of myself ... every part ... to you. I've never felt this way before."
"Guess what I'm thinking? OK, I'll give you a hint. It involves my tongue and you naked."
"I love your body."
"Remember that crazy thing I told you about that I wanted to try with you . . . I think tonight might be the night."
"When you come over today, I want to start in bed. Just FYI."
"My hands. My hips. My lips. Your body. Tonight."
"What is your favorite memory of us in bed?"

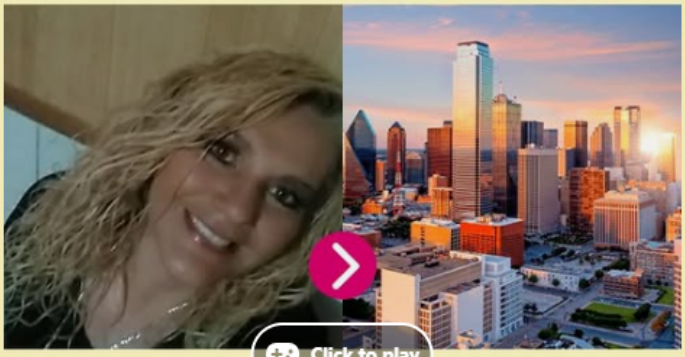
Everyone has a state that matches their personality — What's yours?



Angel - Texas

You are proud of who you are! You have your unique quirks, and you won't change just to please other people. You may be confident, but you're never intimidating. In fact, you have a sweet and warm aura that easily draws people to you. You have a big and loving heart, and you're always ready to welcome new people in your life.

People like Yor are hard to find and impossible to forget. He has the heart of an angel and a truly independent spirit. His life has been harder than people think, but he wears his past hardships like armor. He is not a sweet talker, but he prefers to be judged for being real, than be loved for being fake. Yor has a big heart, and whoever is loved by him is the luckiest person, but don't fool yourself thinking that you can abuse his trust. Yor is the sun, and whether he warms you, or burns you, depends on the way you treat him!

I don't want anyone who walks on eggshells around me. If your day sucks, I want to hear about why it sucks so I can help make it better. If you're not really happy, don't fake a smile on my behalf. If you're in my life, I want you to be in your own skin.

The girl you just called fat? She's overdosing on diet pills. The girl you just called ugly? She spends hours putting makeup on hoping people will like her. The boy you just tripped? He is abused enough at home. See that man with the ugly scars? He fought for his country. That guy you just made fun of for crying? His mother is dying. Put this as your status if you're against bullying. I bet 95% of you wont re-post , but i'm sure the people with a heart and backbone will.

Not sure who my 2 best friends will be but here goes nothing. Because this means a lot to me personally. I'm going to make a bet, that out of my friends less than 4 will take the time to put this on their wall to help raise awareness of Mental Health (PTSD, depression, anxiety, and other mental health diagnoses) difficulties. Mark Done.

going to quit on them or myself.
I know I'm a mess sometimes,
A bit of a broken soul with glimpses of beauty stashed in between,
But I'm good with that.
I made my way, earned my place and I'm fighting to make my story a success.
I've got a lot of love to give and a passionate fire that can't be quenched.
Sometimes, you realize along the way that you don't set out to be strong and courageous,
But when you're left holding the pieces of a life gone wrong,
Those are the only choices you have left.
It's not that I'll ever be heroic, strong and amazing like the fabled stories of heroes and lovers,

But when you're left holding the pieces of a life gone wrong,
Those are the only choices you have left.
It's not that I'll ever be heroic, strong and amazing like the fabled stories of heroes and lovers,
But at least I'll write my story my way, and that's what matters most of all.
I don't have to set the world on fire, just be on fire for my life-
The kind of flames that make your heart and soul feel totally alive.
I may be beautifully broken and wonderfully imperfect,
But I'm still standing.
I'm still strong.
I figured where I needed to go and what it would take to get there, so I made a choice:
I didn't ever go looking for a hero-
I decided instead to become the hero of my own story..
