Deep Fact...
A couple that comes togethe after
they've both experienced toxic
relationships is a differen
kind of couple:
They love on another level.
They appreciate the little
They're proud of each other.
They have the hard talks.
They respect each other.
They love each others
ımpertections‹
They know what love isn'e
They are inseparable
They know they have work together to
overcome and heal so they can build
with each other. They are a true powe?

Listen bro, She doesn't want your money. She wants to sit in the garage with you while you work on your bike. She wants to be in the passenger seat singing songs and live on thousands of acres with you. She wants to dance in front of the headlights of your truck at night. she wants to be loved by only you.
Listen bro, if you got a good one make sure you realize it and take care of her!

I wish!
If a man
wants you
you don't have to ask for effort.
He'll make time,
he'll call you,
he'll text you.
Trust me, no man is too busy for a
woman he truly wants!!

Yup not feeling it 😭

Dakyiah Arnold ▸ Mommy Needs A Recipe!!
May 11 at 7:43 AM ·

To the moms who aren't really feeling Mother's Day today...

Maybe it's because you already knew no one would do much for you.
Maybe you knew you wouldn't get a break, even though this day is supposed to be about you.

Maybe you couldn't dress up.
Maybe you couldn't go anywhere.
Maybe you didn't have help or the support you needed.

So let me say this today:
You're still an incredible mom.
You deserve love, appreciation, and rest.

I'm sending you flowers, because even if today didn't feel like a celebration, you still deserved for it to be.💐

It's not just unfair—it's emotionally draining. When someone refuses to acknowledge their own part in the breakdown of a relationship, it leaves the other person feeling isolated and unheard. I've questioned myself so many times, wondering if maybe I did do something terribly wrong, wondering if I missed something. But the truth is, I was trying. I was trying to communicate, to
