A second Instagram (cruzarleendela) was located; however, it hasn't been active since 2018. She does not have any content posted to her TikTok. No content was found on her X account. She often spends time with them going out to eat at restaurants, celebrating holidays/birthdays, traveling, etc. She also spends a lot of time with her grandchildren and has many posts showing how often she attends their games/tournaments and participates in their fundraisers. On 06/11/23, Subject's grandson, Marques Rodriguez, passed away in a car accident. She traveled to Jacksonville, FL, a few times after the DOI to visit her daughter and other family after her grandson's passing.

Subject's online activity indicates she enjoys cooking and baking. She has many other posts of meals she's cooked or desserts baked, and she frequently attends cooking/baking classes in New York. She also has many posts at church as she attends regularly, especially during the holidays, and a few are provided in the report for reference.

Additionally, Subject took multiple trips after the DOI; on 12/03/22 Subject went to San Francisco, California with her sisters, on 06/11/24 she went to Jacksonville, Florida for the 1-year anniversary of her grandson's passing, and on 04/19/24 she visited Boston, Massachusetts for her daughter's birthday. A woman with glasses, wearing a black jacket and light blue pants, stands in front of a black metal archway. The archway has a sign that reads "FRIEDEL KLUSMANN MEMORIAL TURNAROUNDS". In the background, a trolley with "POWER & HYDE ST" written on it is visible. The scene is outdoors on a paved area with a metal railing.

SEP 1 - 4, 2023

St. Joseph's RC Church Lodi, NJ

September 4, 2023 · 🌐

Today's the last day of the Feast and the most important part of this year's 108th festival. A solemn Mass of thanksgiving will be at 4:00pm followed by the traditional procession around town. Festival still on up to 10pm tonight with the drawing of this year's Super 50/50 winner. We thank the many volunteers who continually supports our church's feast. Here's a small clip of the feast volunteers of all ages and many more behind the scenes...serving with a smile.

A group of five women are posing behind a dining table set for a Christmas meal. The table is covered with a festive red and white patterned tablecloth and is laden with various dishes including spaghetti, meatballs, shrimp, and a large roasted ham. The women are smiling and looking at the camera. The room has red curtains and a chandelier.

Prayer for Family Blessing

Heavenly Father, today I come before You to pray for every member of my family. I pray that You bless each and every one of them and grant their heart's desires. If any of them are going through a difficult time, I ask that You save them and restore them. Please help them to rely on You when they need it and to remember and praise You in times of peace and joy. If their plans are incorrect, I ask that You correct their mistakes, change their plans, protect them from their enemies' attacks and all

A wide-angle photograph of a cemetery. In the foreground, numerous grey, rectangular tombstones of varying sizes are scattered across a green lawn. Some are upright, while others are slightly tilted. In the background, several large, leafless trees with intricate branch structures stand against a pale, overcast sky. A few people can be seen walking among the tombstones in the distance. To the right, a portion of a light-colored, multi-story building is visible.

Our story

Marques Rodriguez was a beloved son, brother, grandson, nephew, cousin and friend who tragically died in a car accident June 11, 2023 at the age of 16. Marques was funny, caring, kind and had the most beautiful smile who can light up a room. Anytime you had a bad day, marques would be the only person that will take his time to cheer you up. He passed away the summer after his sophomore year at First Coast High School.

will take his time to cheer you up. He passed away the summer after his sophomore year at First Coast High School.

Marques loved basketball but he had a passion for singing. He loved being part of his Highschool Chorus Family and just a few weeks before he died, he won the "Most Improved Award." He was the "Heart of the chorus Family." per his chorus teacher

To know Marques, was to love him! He touched and impacted so many lives. He was the kind of person you will never forget.

Our goal

This fundraiser will go to raising money for the Marques D. Rodriguez Memorial Scholarship.

Our mission for this scholarship is to award a deserving student each year who has the same passion and love for singing, music, art/theatre the way he did.

Through this scholarship, Marques' name will live on and his legacy will continue to help others.

As a Mother

*I make a lot of mistakes,
but never doubt my love.
I may not be around all the
time but you are always
in my heart. Sometimes
I see you stumble and
I want to pick you up,

The thing I want most

you to be Happy.*

March 1 at 1:19 PM · Lodi, NJ · 🌍

Today is a fresh start "almost spring" I'm tackling my dog's area and making sure Skippy's diet is on track, complete with a boiled egg (eventhough there's shortage of eggs)and some delicious fruits 🍌🍌🍌. Making his life comfortable in his year 19th 🐶❤️
