A screenshot of a social media interface. On the left is a dark sidebar with white icons and text for navigation: Home, Explore, Notifications, Messages, Grok, Bookmarks, Jobs, Communities, Premium, Verified Orgs, Profile, and More. At the bottom of the sidebar is a white rounded button labeled "Post". The main area shows a post from user "@PhonyGhost" who has a verified badge. The post features two side-by-side photos of a woman with bright green hair, wearing a black leather jacket over a white shirt and multiple necklaces. Below the photos, it says "2:05 AM · Jan 29, 2023 · 641 Views". There are four interaction icons: a speech bubble with "1", a retweet icon with "1", a heart icon with "40", and a bookmark icon. At the bottom, there's a text input field "Post your reply" next to a circular profile picture placeholder, and a grey "Reply" button.

Before DOI. Seeing everyone's responses to my story made me realize I'm not very public about my struggles with chronic pain. I don't know if it's because I'm embarrassed, ashamed, or trying to ignore it. Mostly likely a mix of all three. Being young and at the beginning of my career with such debilitating pain can feel unfair. I never feel rested. I don't work on my sewing projects because it flares up my back. I have to be more careful during photoshoots than I used to. It's made most of my hobbies painful and uncomfortable. I'm mad at my body for choosing my limits for me and I'm mad there's nothing I can do to change that. I guess I'm writing a long woe is me caption rather than the lyrics and cute emojis I planned because I want to be more open. I used to share a lot more online and have drifted away from that, but being honest about struggles like chronic pain isn't bad or "weak." A lot of people live with it, so hopefully we can all comfort in each other and relate. #goth #makeup #gothmakeup #gothbabe #editorial #model #portlandmodel #editorialmakeup #pdx #portraitphotography #greenhair #greeneyes 99w

This is a recording of a phone screen with Aurel BockNelson of PBS Engineering and Environmental on April 21, 2023. She promised she would set up an interview the following Monday. That never happened. Aurel BockNelson is a liar who finds candidates she can exploit.

UPDATE: Aurel BockNelson is no longer working at PBS Environmental. She is attending law school at Lewis & Clark Law School. If she is this bad at telling the truth, imagine how she will be as an attorney. (It will not be good.)

☹️☹️☹️ We've been driving home from LA the last few days and camped along the way which is a nice change of pace after the insanity of Cruel World. In the end we still got to see Iggy Pop's full set and Siouxsie's first and only US show in 15 year... Before DOI. A creative set with no makeup is something I've been wanting to do for over a decade. I feel like where I'm at now is the perfect time to embrace my bare face a prove to myself I can still make art with it. These photos are by @kallisti.photo and she is truly a gem 🌟🌟🌟 Her photography beautifully portrays people as they are. There's no editing to change a face into something else, add makeup, adjust jaw lines, etc.. just the model and gorgeous photography 🌟🌟 going from never having done a no-makeup photoshoot to this makes me so fortunate to know @kallisti.photo and so thankful she made me comfortable enough to feel beautiful just as myself #fairy #fae #faerie #nomakeup #naturalbeauty #greenhair #fantasy #acotar #cottagecore #beauty #beautyshoot #goldenhour #halloweencostume #fairytail

Before DOI. ☐ R3DЯUM ☐ It's always so much fun creating with @daveymuise/@muiseimedia ☐ His artistic vision is incredible I had such a hard time choosing which photos to share!! Anyways, February has been sooo busy so far and it's not even a week in. I am forever struggling to balance law school, home, and art but damn this next month is going to be all about maintaining the balance and noting about being artistic. Applying for summer internships has been taking up a solid chunk of time on top of upcoming midterms and papers. But, next month my law school has a ball, and since I never went to prom, I'm a little too excited. I think I might make my dress! #goth #gothic #gothgirl #alternative #emo #grunge #punk #alternativegirl #gothaesthetic #gothgoth #metal #aesthetic #art #halloween #witch #gothicstyle #makeup #alt #metalhead #gothfashion #rock #music #gothicgirl #alternativefashion #altgirl #gothstyle

After DOI. eeee I'm so excited to share this with yall! ☺☺ I never went to prom in high school so obviously I had to go all out and make my own dress for my first barristers ball ☺ (which is basically law school prom). The silhouette of this dress is something I haven't sewn before and I'm soooo in love with how it turned out! #seamstress #prom #barristersball #greenhair #goth #sewing #sew #diy

I'm excited to have "normal" weekends again this summer instead of weekends full of homework. It's going to be nice having more free time to spend on creative projects. I have a lot planned! I'm making something rococo inspired right now and then am going to jump right into my competition piece for D23. Does anyone else have too many elaborate ideas?? After DOI. 🌈🌈🌈🌈🌈🌈🌈🌈🌈🌈🌈 HAPPY PRIDE! This #Divine tribute was so much fun to create. A lot of what I do is inspired by drag queens and I wanted to honor that love this pride month. When I was a little goth high schooler interested in alternative makeup I turned to the techniques I saw on shows like drag race. Most of what I learned about makeup is from drag & I still use all the same techniques today! I absolutely adore what drag queens/kings/things add to queer spaces. We would not be the same without 🌈 #drag #dragqueen #dragmakeup #makeup #beauty #pride #pridemonth #model #green #greenhair #dragqueenhair #alt #alternativefashion #goth #dragrace #fashion #queen #lgbt #lgbtq #beauty

It's time I finally come clean and apologize. This has been something that's weighed on me heavily for years and I can't continue to stay silent, so I'm sorry. I'm sorry I'm really smart and hot. I'm sorry I'm working your dream job. It's a heavy burden to see a hot woman succeed in ways you're incapable of, despite your desire for that success, and I acknowledge that. I will never understand how it is being a boring loser and it's time I spoke that truth.

The makeup I did for this shoot is some of my favorite makeup I've done in the last year-ish, so why not share more pics! I added in some selfies so you can see the makeup in natural light too 😊 #brideoffrankenstein #frankenstein #maryshelley #makeup #facepaint #costume #goth #gothic

 **raghallaighk** I start law school in a few weeks and you're so real for this. I'm veryyy lucky that all the attorneys and firms I've worked for have been chill w my facial piercings, tattoos and dyed hair, (most of my entering class do as well) but I'm definitely scaling it back once I start summer internships in 2026.

I accidentally took a mini break from this account during the last month or so of fall semester. The second year of law school takes up alllll of your time and final exams turned into a bit of a mess when I caught a terrible stomach bug :(One thing I realized while taking that mini break from ig is how over my old username I was lol I never really had a "name" and felt like I was going by a gamer tag, plus after 10+ years of my last username i think a lil update is in order

After DOI. A bit belated but I recently celebrated my 26th journey around the sun ✨ ☐ this was an extra special moment for me. I've never had a birthday party before and a part of me felt like it was silly to even want to host something like that at my big grown age but what's the point of life if not dressing up and being silly with your loved ones? I've never felt so much love in my life. Thank you dearly to the girlies who came and showed me love in song and dance and juicy couture ☐ every single seat in the room was taken. I live a fairly introverted lifestyle so to see friends from all areas of life gather and mingle and be here for ME made me so emotional ☐ especially when @haleyember surprised me with having everyone sing me happy birthday. But it's my party and I'll cry if I want to, right ☐ I love love love you guys!! It's been insanely hard choosing which of the 200 photos we shot on film to narrow down for this post.

The screenshot displays a Google Maps interface. On the left, a sidebar shows the user profile of Aurel BockNelson with a 5-star review for 'Lance Reis Personal Branding Photography & ...' posted 5 years ago. The review text describes a positive experience with a professional photographer. The main map area shows a satellite view of Ionia, Michigan, with labels for streets like W Main St, E Main St, and Grand River, as well as landmarks such as the Ionia Free Fair and Ionia Fairgrounds, and the Grand River. The map includes a search bar at the top and a 'Layers' button at the bottom left.

Disgusting practices. completely unregulated by the USDA... abuses their animals and keeps them with other "companions" which physically abuse them although legal regulations say otherwise. Among having housed marine mammals so poorly the animal committed self harm to the point of death.
