Prior to DOI: Subject's father passed away Caption: My dad passed away this morning at 8:30am. We took him to the house where he grew up as he wanted. Surrounded by his family we said goodbye to him last night. He was able to meet Luca in his last moments and he touched my face with a lot of affection. We give thanks to our heavenly father for loving his son Juan Ramon Duran Robles. For the life full of dreams and love he gave. For his family that I love to the last moment. For giving me such a good and loving father. Because he's no longer suffering. By accepting Him into His kingdom. Thank you my father.

I know your body is here but your spirits live with God. It is difficult to understand in this life because we went through this important step but upon arriving at our heavenly home we will understand that this life was just a step in our existence. Jesus Christ makes it possible that we may live forever! He lives and because he lives we will all live! My savior gave everything for me and I know we will see each other again!
