Well because of my effed-up neck I didn't leave for Leesburg today with everybody... but I did make it to Fort Myers Beach with my friend Jodi.....no motorcycleMay 15th for my surgery so hopefully after that I'll be able to go long distance again on my bike... oh by the way my friend Jodi does have a top on...not.. I'm so missing my mom and dad tonight I know their anniversary of their death is coming up right after my surgery the 18th and the 22nd but today I'm hearing songs... I'm seeing different things that remind me of both of them and that usually doesn't happen so it's kind of cool kind of sad

I think there glad mommy is home..they missed me..and a new leather sectional...they r not allowed on without blankie..oh and thank you for the ride home from hospital Renee Dent Edit: here it is: Neck fusion Had it done a few years ago and the disk below it was making my neck and my right arm numb and Tingley and weak so they had it take the plate off the top fusion and fuse the disk below .. Which is great that they took the plate off the fusion above cause I'll have better range of motion but the desk below will have a plate but but I won't have the numbing and tingling in my arms

Low miles. I bought a 2016 Breakout softtail new. It was 22,000 That bike is well worth if you got it now for 13,000 with that mileage. Wish you well riding that beautiful machine.

How would you like to support our Veterans while patronizing businesses that you probably already frequent? Now you can.

American Legion Post 90 Cape Coral is part of a charity "Winter Stamping Tour" that started on Nov. 1 and runs until Feb. 28, 2024.

The American Legion Riders of Florida's District 13, of which Post 90 in Cape Coral is a part, includes 17 Legion Posts in Lee, Charlotte, Collier, Glades, and Hendry Counties. Legion Riders have visited businesses all over the area and signed them up to be a sponsor. For \$100 a business gets a coupon in a "stamp passport booklet." These booklets are available to Legion members and the public for \$10.

Money raised will be used to help American Legion Posts in Lee County that were severely damaged by hurricane Ian to repair and rebuild. Many Posts suffered storm damage, but four Posts, Fort Myers Beach, Port Charlotte, Sanibel/Captiva, and Bonita Springs had catastrophic damage.

The book includes 63 businesses who are participating. Anytime a person visits one of these businesses with their book, they can get it stamped. No purchase is necessary.

At the end of the four months if you have at least 10 businesses "stamped," you can mail in the booklet and have a chance to win up to \$500.

Legion Riders are a part of the American Legion Family which also includes the Legion Auxiliary and Sons of the American Legion. Together they support Veterans in need, community organizations and youth programs.

To locate a Post where you can purchase a booklet go to floridalegion.org/findpost. Follow the tour on Facebook at 'District 13 Winter Stamping Tour.' Post 90 Cape Coral is at 1401 SE 47th St. in Cape Coral.

the means to support herself. We made her move in with us and of course all the animals. A few of them died off before she did but eventually mom developed inoperable brain cancer and we could only provide what care we could until she wound up in Hospice where she faded away quickly and eventually died. We were left with two cats and a dog that were hers as well as our two dogs we already had. In the few short years since she died we have lost every single pet. We went from a kennel like animal shelter to zero pets in less than two years. Now it is so quiet and empty around here.

Ok... I really hate doing this... as i work in a restaurant but it has to be put out there... Our long standing date night which we haven't been to in a couple of years is daruma in the bell tower it used to be our favorite date night they have piano player in the back and we just love the service and the atmosphere. so tonight we went there.. And it was probably the worst experience we ever had in a restaurant. we ordered an appetizer it was the lobster crab cakes 40 minutes later no app... my dinner actually came out... appetizer never came .. roll which was sushi part of it was room temperature his roll that never showed up till after way after i was done eating and after the conversation speaking to a manager finally showed up... everyone around us ate b4 us.. And of course as we were leaving we were looking for a manager to speak to him nowhere to be found we asked no one showed up we paid our bill we still left 15% tip cause people still have to live but we will not be back!! And unfortunately bell towers shops are dwindled so you really gotta shine if you wanna stay in unfortunately I don't see them lasting because our bad experience cannot be the only bad experience
