Caption: Two months ago from today my leg dislocated, I was brought to Monroe Regional and operated on by Dr Doolittle,(Nick Name) I came out of surgery with the top of my left leg paralyzed . I went to Life Care center of Ocala for three weeks, there I progressed to being able to take care of my personal needs but no movement in leg. Mom and I headed to Miami so I could work the Dade County Fair on March 14th. I was at the fair for 5 days and my leg dislocated again, I was seated and

simply reached for sizzors. That day I felt doomed. I went to Doctors Hospital and finally got a master surgeon along with Doctors that took very good care of me. The surgeon first had to evacuate two large hematoma's left at incision site by Dr. Doolittle, they we're pushing on the nerve and causing the paralysis. Dr. Suarez changed the hip surgery finally. Hard to explain but I am confident in his new plan. I finally have peace of mind that my leg will now stay in the socket. My leg began to get some movement back ,very little as nerve damage repairs slowly I moved to West Gables Rehabilitation hospital for two weeks and had an awesome therapist who worked with me and was powerful towards my trip in regaining movement . The lessons from Nicole the therapist are invaluable. I am greatly encouraged as I see progress each day. I am now happily at my Mothers house Everyone who knows me understands I am in the best of hands. She has been my rock everyday of this journey. My sons and sister keep me up and focused on getting better. My life has drastically slowed down and I've had time to focus on what's important and happily give up bad habits. stress has taken a back seat in my life. I have had a tremendous amount of support and prays which has kept my courage high and attitude strong. My managers and employees at Beer:30 Saloon were invaluable to my peace of mind while going through round two. They held down the ship. I am so very blessed to have them God does not hand you anything you can't handle. My prays for peace of mind and many things have been fulfilled . Gods love comes with lessons. I live day by day . I progress each day. Thank you to each and everyone of who thought about me and offered up a prayer because All of you,too many to mention have made this journey bearable .

Caption: How do you mend a broken heart☹️☹️. Love hard, forgive , Pray harder, Watch Grandchildren play. Help Ashlee as she is teaching them respect and manners. I see Ryan Gray in every move they make. Ashlee and I have so much fun Laughing about Ryan's hysterical personality. We tell each other stories , and laugh when we know how Ryan would react . Ashlee Reneé Gray did a amazing job with Ryan's memorial service. The finalization sent my heart into a black hole . Three

weeks Later, I have a renewed strength. The support love and prayers that I have received left me speechless. The carnival industry is vast. I felt the love . Family, Friends from grade school, Camp Crestridge, Boarding school, College , neighbors , employees/ friends Thank you truly for sending your love. Hate to say this but; It is Time to make the donuts☹☹☹ Heading to Canada June 1st. Looking forward to the distraction.
