En esta danza de fraternal enlace
donde el relevo y la caricia se mezclan

Ven mi niño y quédate en brazos de mamá
Ven mi rey y balbucea el amor que me tienes

What a beautiful encounter. My colleague Damaris Vargas and his beloved wife, Nelson Villalona first time we see each other after a long cyber friendship. The world is so small and we think we are bigger than it. Wao!!

Thank God for one more year. For more experiences, to know in detail and to know the things that add to me; to be sure of what I want and where I'm going. Loving myself every day, minutes and seconds, knowing my worth as a human being, woman and artist. Another year to go and not give up HBD!!!!. To me !! 🎂🎂 Thanks to my family for celebrating with me. To my friends and part of my tribe, thank God for giving me that privilege. 🎂🎂🎂 Thank you @Cakebytala you are uniquely delicious!! Yummy cake. Note: I will keep singing, until God WANTS! !!! 🎂🎂🎂 because He gives me that unique and different privilege in my vocal cords.

Gracias a Dios por un año más. Por más experiencias, por conocer detalladamente y saber las cosas que me suman; estar segura de lo que quiero y hacia donde voy. Amarme cada día, minutos y segundos, saber mi valor como ser humano, mujer y artista. Otro año para seguir y no rendirme HBD!!!! To mee !! 🍷 🍷 🍷

Gracias a mi familia por celebrar conmigo. A mis amistades y parte de mi tribu, gracias a Dios por darme ese privilegio. 🍷 🍰 🍷 gracias @Cakebytala eres única rico !! Rico bizcocho.

Nota: seguiré cantando , hasta que Dios QUIERA! !!! 🎵 🎵 🎵 porque El me regajo ese privilegio único y diferente en mis cuerdas vocales.

Word of God. Friday, December 31, 2021 Let go LET GO OF THE PAST AND EMBRACE THE FUTURE. As the year comes to a close, I take time to evaluate how I responded to a period that challenged me more than usual. Maybe it sparked my compassion and I felt more motivated to serve. Maybe my heart felt fuller when I prayed for my loved ones and people I never met. My heart feels full when I reflect on the lessons that fostered my growth and the blessings I experienced. Entering the new year with a positive and hopeful attitude. I welcome him with an open mind to new ways of thinking. I feel ready for a new and vibrant start. No matter what obstacles may arise, I commit myself to achieving the noblest goals of my life. He who sat on the throne said, "Look, I make all things new. And he said to me, "Write, for these words are faithful and true." —Revelation 21:5

I WON'T KEEP QUIET Today I have the right to think, to talk, to be me! To be able to say what I don't like! And I don't care at all because in the end... I count on this planet! Sometimes I shut up and observe, but my silence leaves me in a drought that chokes my soul out. And I wonder ! Is this the price to get What do I deserve? Hahaha... I laugh like that woman thinking that tracing footsteps His footprints have left them marks by the experiences, the battles, the betrayals and experiences beyond repair But even so, I celebrate my life ! And it's live! Because it's mine, bcz it belongs to me. It's the award that gives me won from the womb of my Mother. What the creator willingly said: "she, that extroverted child, smiles" That's me ! And I'll let my words fly with liberty! Because i will not stay quiet. (Right Reserved)

NO ME QUEDARÉ CALLADA

¡Hoy tengo derecho a pensar, de hablar, de ser yo!
¡De poder decir lo que no me gusta!
Y no importarme nada porque al final...¡Yo cuento en este planeta!
A veces callo y observo,
pero mi silencio me deja
en una sequía que
me ahoga el alma.
¡Y me pregunto!
¿Es éste el precio para obtener
lo que me merezco?
Jajaja... Río como aquella mujer
pensante que
trazando pasos
sus huellas les han dejado marcas por
las experiencias,
las batallas, las traiciones y
vivencias irreparables
Pero aun así,
¡celebro mi vida!
¡Y la vivo!
Porque es mía,
porque me pertenece.
Es el galardón que me
gané
desde el vientre de mi
madre.
Lo que el creador por voluntad dijo: "ella, esa
niña extrovertida, risueña"
¡Esa soy yo !
¡Y dejaré volar mis palabras
con libertad!
Porque
no me quedaré callada.

How many times I lived, it's like collecting from your trunk, unforgettable memories. With my grandchildren, my theater mates, awards, friends, my wedding with my perfect . And another great achievement, my presentation of my first single 'Vamos de Amores' in the middle of the pandemic, even difficult times we made it. we're still standing, not thinking of throwing in the towel. A Facebook Memory.

Cuantos tiempos viví, es como recopilar de tu baul, recuerdos inolvidables.
Con mis nietos y nietas, mis compañeras de teatro, premios, amigos, mi boda con mi 🍊 perfecta.
Y otro gran logro, mi presentación de mi primer sencillo "Vamos de Amores" en plena pandemia,
aun tiempos difíciles lo logramos. seguimos en pie, sin pensar tirar la toalla.
Un recuerdo de Facebook.

I have had the pleasure of collecting in the way of life good friends, acquaintances, and some than other false friends. In life you collect everything! It's allowed! Time and the universe is wise it is removing from your path what no longer suits you, what already made you grow and learn. Let's keep walking... always taking life as a constant learning curve because the same experience puts you on alert, with people and places you shouldn't be. Happy Tuesday!!!! Blessings.

Yo he tenido la dicha de coleccionar en el paso por la vida buenos amigos, conocidos, y algunos que otros falsos amigos. En la vida se colecciona de todo! Es permitido! El tiempo y el universo es sabio va quitando de tu camino lo que ya no te conviene, lo que ya te hizo crecer y aprender. Sigamos caminando...siempre tomando la vida como un constante aprendizaje ya que la misma experiencia te pone en alerta, con personas y en lugares que no debes de estar. Feliz Martes!!!! Bendiciones.

Yes, I'm bloody, visceral, somewhat fatal; but whole with this caudal, that bathes you like a muffler I have broken the silence with the power of singing by the force of kisses by force of me. I build a profile in the times and I know it.. you have my heart in every note, in every breath. Yes im a blood and i know it.. but I also know, I'm authentic.

Sí, soy sanguínea, visceral, algo fatal; pero entera
con este caudal, que a borbotones te baña
he roto el silencio a fuerza de canto
a fuerza de besos
a fuerza de mí.
construyo un perfil en los tiempos y lo sé...
tienes mi corazón en cada nota, en cada suspiro.
Sí, soy sanguínea y lo sé...
pero también sé, que soy autentica.

I want to share with my tribe this beautiful picture with the woman who inherited the wonderful talent of singing and interpreting my mother Finland. the one in the middle next to her two sisters Marina and Deysi, who formed a trio called the Betancourt sisters. And they sang for General Trujillo when he visited the town of Bani. Even at 79 my mother often tunes melodies, and they don't know how proud I am of her, and to be able to carry in my voice that instrument called vocal strings. Thank you mommy, I promise to sing until God... only He decides.

SO PROUD ! I don't have an amazing figure or a flat stomach, ♀ I'm far from being considered pretty within the "standards" (some say I AM and I love it because they don't just see the superficial). I like food laaaaaa I love music I don't have perfect curves, on the contrary. I have scars inside and out that marked my life. I have a before and a after, because I have a history. Some people love me♥ and some not so much. Sometimes I don't even put on makeup and others I'm dressed up there are times that some think I'm half crazy, well yes ; madness is part of sanity; they say. and if you're not crazy, ♀ ♀ ♀ you're rope and the strings tie hahahaha! I don't pretend to be someone I'm not. meYou can love me or not... ♥ And if I love you, you can be sure that I do it with all sincerity and with all my heart. Women in my tribe I challenge you to put this on your wall and share a picture of yourself if you're proud to be who you are ♥♥♥ Let's see how many come up?

A ver cuántas se animan? 🦋

Learn to sit at the same table with Judas, without him stealing your peace. Once you realize that time doesn't change people, it takes off their mask and that's when you become crafty and observant. People start to value your presence, when you gift them your absence, a person changes for 2 reasons, learned too much or suffered enough. Don't pretend to depend on anyone's happiness. When you feel a little too "BIG"... take a walk on the ocean ☐ , so you can see how small we are. If you want to know a person, don't listen to their words, look at their acts as they express themselves and how they talk about others! that this world is full of people with smile on their mouth and hypocrisy on their hands..... "Remember LIVE and let LIVE, that life is responsible for putting each Person in the place he/she belongs, no one who has sown EVIL can claim to harvest GOOD... To tell lies you have to have MEMORY, To tell truths, VALUE". Happy Thursday!! Thanks to Mega. because of the photo.

DE TODO UN POCO**García Lorca en nuestro siglo**

De Federico García Lorca. Con Amorós Morales, Kathy Tejeda, Caridad del Valle, Ingrid Pérez, Graciela Tinoco, Mago Cedeño, María Rami, Yanel Betances, Pier Martín y Luis Villalón. Y la participación especial de: Edú, Oscar Zamora, Luis Acevedo, Marko Santoni, Francisco Serrano y Yorman Ochoa. Maquillaje de María Jaraña, Ingrid Pérez. Vestuario y Locos, Raul Rivera y Yorman Ochoa. Escenografía, Oscar Zamora y Raul Rivera. Adaptación y dirección general, Raul Rivera.

Por Manolo García Oliva

Uno de los textos más universales del poeta granadino, Federico García Lorca fue el escueto que el entonces Raul Rivera para adaptarlo y hacerlo a nuestros tiempos y así poder celebrar por todo lo alto del poeta, autoritario de la fundación de Copi Theater. La obra de Bernarda Alba (1936).

Integrante del llamado teatro rural y desarrollado en la España profunda, esta nueva visión del drama hispano, integra tanto a "Bodas de sangre" y "Yerma" al teatro moderno del teatro de época española.

Conformidad, ternura, pasión y expresión desbordada, componen esta pieza, respondiendo que siempre debe componer el espectador de todo grupo teatral. Hecho que llevó a cabo Raul Rivera, y así acercar la expresión que tenía desde mucho tiempo atrás para poder llevarla a escena.

Escrita en 1936 y en su primera versión fue 1945 en Buenos Aires, Argentina por la trágica española Margarita Virgo, en la historia de una doble vida española Bernarda Alba, de 40 años. (Amorós Morales) que tenía un control sobre sus hijas, casaderas ya casi quince años, aquellas conserteras de

propiedades, sin poder de trabajadores a su orden y otras cosas como de general.

Amorós Morales (Caridad del Valle), la consertera de 20 años; Magalena (Graciela Tinoco), de 19 la más trágica y la que más quería a su padre; Adela (Mago Cedeño), de 27; Martirio (Ingrid Pérez), de 24, la talista que iba la hija del prometido de Adela; Ingrid Pérez (María Jaraña), de 40, la consertera trágica de Bernarda y Yanel Betances, la Adela, trágica y elegida del casorio de tan solo 20 años, componen los habitantes de la finca junto a La Poncia (Kathy Tejeda), criada de más de 30 años al servicio de Bernarda y otra del círculo Pier Martín.

Un elenco de destacados figuras de nuestra patria, componen esta pléyade de actores, que destacan por igual y no solo por igual a lo largo de toda la representación.

Delante al espectador, los laboriosos de Amorós, Kathy, Ingrid, Caridad, Mago, Graciela, María Rami, Yanel, y Pier, quienes hacen reflexionar al buen espectador teatral que disfrutamos en nuestra tierra de adaptación. Un agente a Luis Villalón, por su Pequeño Mundo y al grupo teatral que dio vida a los laboriosos del cuento de Bernarda Alba.

Una película en el teatro, de adaptación y agente para Raul Rivera por esta casi dos horas del excelente teatro.

Amorós Morales, como Bernarda Alba.

Mago Cedeño y María Rami hacen Amalia y Martirio.

Yanel Betances, como Adela y Kathy Tejeda son La Poncia.

Kathy Tejeda, encarna a La Poncia.

Caridad del Valle, interpreta a Angustias.

Ingrid Pérez, como María Josefa.

Graciela Tinoco encarna a Magalena.

Pier Martín, fue la criada.

If we unite more, inside and outside of the celebrations and there is not so much tyranny, and let work with your talents to one, I'm sure we would go far. If today you are proud to be Dominican and represent it, help your countryman. Respect his rights, be happy that he achieves as much as you do, so you will represent your country with dignity. What a life!! Our Dominican Republic. I know some won't put anything, but I'm also sure you'll read it and see how proud I sing to my Quisqueya for my parents.

Ingrid Interprete is with **Jose Luis Bethancourt** and 32 others.

Si nos uniéramos más, dentro y fuera de las celebraciones y que no haya tanta tiranía, y dejen trabajar con sus talentos a uno, estoy segura llegaríamos lejos. Si hoy te sientes orgulloso de ser Dominicano y representarlo, ayuda a tu paísano. Respeta sus derechos, siéntete feliz de que él logre tanto como tú, así representarás dignamente a tu país.

Que viva!! Nuestra República Dominicana.

Se que algunos no pondrán nada, pero tambien estoy segura que lo leerán y verán con que orgullo por mis padres le canto a mi Quisqueya.

In Commemoration of "International Women's Day" 03/26/23 Enjoyed my theme "Free Winds" ♣️ ☐ ☐ What a pity that as an artist, the more you care about giving your best, and you do it practically gifted; they don't recognize your sacrifices, much less the work you did. And with these words, I mean people who invite me to sing, and they are not able to recognize just that I was in their activity. So much lack of professional ethics.

Ingrid Interprete is with **Jose Luis Bethancourt** and **78 others**.

En la Conmemoración del "Día Internacional de la Mujer" 03/26/23

Disfrutaron mi tema "Vientos Libres"   

Que pena que como artista, cuanto mas tu te preocupes por dar lo mejor de ti, y lo haces prácticamente regalado; ni reconocen tus sacrificios, ni mucho menos el trabajo que hiciste. Y con estas palabras , me refiero a personas que me invitan a cantar, y no son capaces de reconocer tan solo que estuve en su actividad. Cuanta falta de ética profesional.

TIPOS DE NARCISISMO

Narcisismo encubierto

Parecen personas encantadoras e incluso entregadas a los demás, pero que en realidad solo buscan su propio beneficio.

Narcisismo dependiente

Exhiben una necesidad muy pronunciada de sentirse aprobadas y admiradas por los demás. Tras este «caparazón» se esconde una muy baja autoestima que necesita ser nutrida.

Narcisismo impulsivo

Personas con baja tolerancia a la frustración y que suelen emitir respuestas desproporcionadas a las situaciones que viven.

Narcisismo poderoso

Son narcisistas que quieren tener siempre el control de la situación, además de la razón.

Narcisismo inconsciente

Los rasgos pueden ser más sutiles, pero aparece el auto-ensalzamiento, la arrogancia y la negación de las propias debilidades.

Narcisismo vulnerable

También llamado narcisismo hipervigilante o hipersensible. Sienten una gran necesidad de ser atendidos y aprobados.

Narcisismo perverso

También llamado narcisismo maligno, los caracteriza el egoísmo; no les importa pisotear, engañar o manipular a los demás si así consiguen lo que quieren.

I'm that woman who stumbles, but gets up. Suffering but smiling out loud. She cries, but she dries her tears puts on heels and keeps walking, I'm that woman who doesn't give up because in this universe..... also God gives you His space.

Soy esa mujer que tropieza, pero se levanta. Que sufre, pero sonrío a carcajadas. Que llora, pero seca sus lagrimas se pone tacones y sigue andando, soy esa mujer que no se da por vencida porque en este universo..... también Dios le da su espacio.

¡HOMENAJE A UNA LUCHADORA!

Llegó la hora de que Ingrid se recupere

A las mujeres especiales como Ingrid no se les olvida fácilmente. Ella llena de fuerza a todos los que la rodean y siempre sonrío, por más abrumada y estresada que esté. Ingrid ha pasado por mucho dolor, pero esas experiencias la han fortalecido y le han enseñado a escoger muy bien a sus amistades. Ella no necesita gente tóxica en su vida y no le gusta perder el tiempo. Los que reciben su afecto son muy afortunados, pero si abusas de su confianza dejará de quererte. Ella es como el sol, porque sabe brillar con luz propia. ¡Por fin se le hará realidad un gran sueño a Ingrid!

This is the result when you focus and work with love and professionalism. Many times you win things with honesty annoying, but I will continue to work well, and every day convinced that God is not wrong with his children. This character I love, who wants my Maria Josefa for another proposal of The House Of Bernarda Alba. It's available. Never underestimate anyone, nor the less think you are the best. There will always be those who will put their abilities in the service of art.

 **ingritofficial** Este es el resultado de cuando uno se enfoca y trabaja con amor y profesionalismos. Muchas veces el tú ganarte las cosas con honestidad molesta, pero yo seguiré trabajando bien, y cada día convencida que Dios no se equivoca con sus hijos. Este personaje yo lo amo, el que quiera a mi María Josefa para otra propuesta de

La Casa De Bernarda Alba. Está disponible.

Nunca subestimes a nadie, ni mucho menos pienses que eres el mejor. Siempre habrán quienes sí pondrán sus capacidades al servicio del arte.

SHE GOT USED TO IT.... To take up the whole bed, to sleep all the hours you want, to not cook on Sundays. Not explaining and doing what she likes without anyone criticizing her. Eating at midnight and watching your favorite shows, singing loudly and dancing all over the house, no one calls her crazy. Getting calls all the time and replying messages very late. To the smell of coffee in the mornings, taking time when it's time to get ready to go wherever you want. He got used to her, her things, her life, to be alone, to expect nothing from anyone, to walk through life with values, with virtues, with mistakes, to get up from falls. GET USED TO LOVING HIMSELF....

"Today I allow myself" Today marks another year. Today is my birthday!!! Today I allow myself, I am holding on again to life because God never gave up on me. He let me touch the bottom yes, but he didn't let the devil win my soul. Today I celebrate with Him, because He will be my special guest in my heart and home. Always whispered I'm with you. My loves, my fans I also celebrate with you all who never stop sending me a little message, me as a girl in kings checking and replying. But hey! I didn't know I had Madison's audience ☺☺☺ well I don't know about you but I see it this way, it's how you visualize it, and I'm positive!! Happy birthday to me!!! ☺☺☺☺☺☺☺☺ and may God continue to give me my talent for all those who admire me ☺☺☺☺☺ I love you and celebrate !!!!! Some things I wrote, you'll read it more fully, but don't be anxious, history will be made.

"I was wrong" I was wrong to let your love bombardment blind me, and hypnotize my eyes, and just see how great you said you were. I made a mistake in allowing myself to stop believing in me, today I can open my eyes and feel free, with all my experience and tools to defend myself, love myself, spoil myself and know that I shine with my own light. My name is Ingrit ☺☺ I have added on social networks mainly to people with whom I have shared some moments of my life, even though we lost contact over time. Whoever had the opportunity to meet me at any stage of my life, knows at least something about me. We may not have much contact anymore but thankfully everything is fine. I decided to participate in a social experiment called “A meeting between friends”. The idea is to see who reads a complete post without a photo, as we live in a hurry and forget our important moments. If no one reads this message it will only be a social experiment, but if you get to read it to the end, I want you to write one word about me, such as an object, a place, a person, a moment, something that refers to the relationship we had or have. Then copy the text and paste it to your profile. I'll go to your wall to leave the word that reminds me of you. Just like you, people will tell you how they remember you. Let's remember, we'll see who does and who doesn't. I did it because remembering is living

Mi nombre es Ingrid 🥰🥰 tengo agregadas en redes sociales principalmente a personas con las que he compartido algún momento de mi vida, a pesar de que hayamos perdido contacto con el paso del tiempo. Quien tuvo la oportunidad de conocerme en cualquier etapa de mi vida, sabe por lo menos algo sobre mí. Tal vez ya no tengamos mucho contacto, pero afortunadamente está todo bien. Decidí participar en un experimento social llamado "Una reunión entre amigos". La idea es ver quien lee una publicación completa sin foto, ya que vivimos apurados y olvidamos nuestros momentos importantes. Si nadie lee este mensaje será sólo un experimento social, pero si lo llegas a leer hasta el final, quiero que escribas una palabra sobre mí, como un objeto, un lugar, una persona, un momento, algo que haga referencia a la relación que tuvimos o que tenemos. Después copia el texto y colócalo en tu perfil. Yo iré a tu muro a dejar la palabra que me hace recordarte. Así como tú, las personas te dirán como se acuerdan de ti. Vamos a recordar, veremos quiénes si y quiénes no.

Lo hice porque recordar es vivir 🍀💙

Wednesday, February 14, 2024 Listen to your heart POSSIBILITIES BECOME REALITIES WHEN I LIVE CONSCIOUS OF MY POTENTIAL. When I think, speak and act upon the presence of God in me, I do it with confidence. Living in the moment, I am awake and attentive to the presence of divine life. Such consciousness motivates me to lay the foundation for my heart's desires. I build on that foundation, taking into consideration different options and doing what I feel is right for me. You may wish to make better use of my talents or skills by a new career or as a volunteer.. I know I have to make an effort, but the effort itself gives me satisfaction. A tender assurance that emanates from the depths of my soul sets me on the path of progress. Possibilities become realities when I live consciously of my potential. For where your treasure is, there will your heart be also. —Matthew 6:21 FELIZ DIA DEL AMOR Y LA AMISTAD.☺☺

Escucha a tu corazón

LAS POSIBILIDADES SE CONVIERTEN EN REALIDADES AL VIVIR CONSCIENTE DE MI POTENCIAL.

Cuando pienso, hablo y actúo partiendo de la presencia de Dios en mí, lo hago con confianza. Al vivir en el momento, estoy despierto y atento a la presencia de la vida divina. Tal conciencia me motiva a sentar la base para los deseos de mi corazón.

Edifico sobre esa base, tomando en consideración diferentes opciones y haciendo lo que siento que es correcto para mí. Quizás desee utilizar mejor mis talentos o habilidades mediante una nueva carrera o como voluntario. Sé que he de esforzarme más el esfuerzo en sí

Muy bien ganado para Ángela Carrasco. Y aún hay muchos más artistas buenos y de trayectoria que en vida también se lo tienen que entregar.

Very well earned for Angela Carrasco. And there are still many more good and successful artists that in life also have to give it to them.

☕ Today's Coffee ☕

"Make sure that no one stops reaching for the grace of God; be careful that no bitter root sprouts up and causes hardship and poison many"

Hebrews 12:15 KJV

Bitterness is a cancer, because it contaminates your whole being, your personality, your attitudes, behavior; your perspectives and yet your relationships will be affected, because the bitter person becomes toxic and absolutely everything around him corrupts him.

Is there a cure for this ailment? Yes there is, call Jesus Christ! Humble yourself before His presence, express your anger, release yourself from all weight, guilt and receive God's peace, love and forgiveness that your soul needs.

When sweet turns bitter in your life; reflect and open your heart to the Lord Jesus; your loss is not your end, but it will give way to a new beginning, if you turn to God.

*God bless you and have a wonderful day!!! *
