To all my Facebook friends, post this on your wall for just an hour, please.

Heavenly Father,

Walk through my home and take away all my worries and any illnesses. Please watch over and heal my family and friends. Bless my home, family and friends with peace, love and joy in Jesus name. Amen.

This prayer is so powerful. Please stop what you are doing and post this as your status. Watch what He will do. With God, all things are possible. ❤️

Faxts but most of u hoers was raised differently

facebook.com/photo?fbid=934945446530841&set=a.272911266067599

When dealing with a street nīgga , you have to understand that some shxt just comes with the game .. point blank ! & he will be the furthest thing from perfect ! But as HIS GIRL 🏆 ; you suppose to ride for him .. RIGHT OR WRONG .. GOOD OR BAD .. when EVERYBODY in the world go against him , you suppose to be down for him .. when people down talk him , go HARD for yo nigga .. & when he fuck up , GET ON HIS ASS but take steps to help him get better .. never let him go because of the things he cant change on his own ! Ride for him ! 🏆 Right hand to the man and lie for him 🏆 ! THATS what a down bxtch will do. 🏆 & in due time he WILL be the perfect man for you 🏆 .. the HOES & RUMORS only last for so long . Trust & Believe he will realize who is there !

Jonathan,

The judge has agreed to put your sentencing over until March 30. Please call me on Monday so that we can make a better plan regarding letters of support. They are important. We also need to discuss your PSR.

The image is a screenshot of a Facebook interface. On the left side, there is a large photograph of a man named Jonathan Grant. He is standing in a narrow hallway or doorway, facing the camera with a slight smile. He is wearing a grey hooded sweatshirt over a white long-sleeved shirt, dark blue jeans, and grey sneakers with red laces. His hands are clasped in front of him. To the right of the photo, the Facebook post details are visible. At the top, it says "Jonathan Grant" followed by "January 28, 2017". Below that is the caption "Imma Take you hoes to School.....". Underneath the caption, there are icons for likes and comments, showing "64" likes and "20" comments. A scrollable list of comments follows. The first comment is from Maranda Davis: "U a mess". Below it is a reply from Jonathan Grant with three laughing face emojis. Then there is a comment from China Reed: "O-k". Jonathan Grant replies to her: "China Reed u see me right in my Mel Carr voice". This is followed by two more comments from China Reed: "Lol ooowe" and "I see u". Finally, Jonathan Grant replies to her last comment: "Aiight". Each comment and reply has "By" and "Like" options next to it.
