Subject shares her recovery from knee replacement surgery. No filter! Not too shabby for a major revision from a partial knee replacement to a full knee replacement! Working on scar and crushing therapy goals! It's so hard to believe that this is even happening! 1 day at a time ! Major goal - to compete again . Minor goal - to wear heels ! Lol! It's not over til I say so!!! I'm doing exercises most people wouldn't do if they were healthy!!!! Squats , lunges , spin bike , etc!!! You don't know how strong you are until you have no choice ! Story of my entire life! I've been hurt, crushed, defeated, sick, abused, and yet - I used every hurdle to make me stronger! I do believe I AM Wonder Woman! #strongasfuck #dontmesswithme #warrior #wonderwoman #badass #kneereplacement #backwithavengence #iamenough #waitforthecomeback #youhavenoidea #maybeimnothuman

Hi friends & family of Karen Santosuosso & George Torre

Karen Lost the love of her life , her Fiancé George overnight. If you have ever followed Karen on social media, or met her at the gym, you know how she felt about George. She pretty much shouted it from the rooftops daily. Their love may have been short lived, but was enough for a lifetime. Please keep Karen and her family in your thoughts and prayers during this most difficult time.

I wanted to set up a go fund me page to help Karen with all of the expenses she will endure... I know she would never ask for help, so I want to do this for her.

Karen and George had a love so precious and rare and would help any person or animal in need!!

Let's all band together and help ease the bills that will soon follow.

We all love you Karen, and don't worry Georgie!! We got ya girl!!

RIP George Torre

RIP George Torre
You will be missed!!

October 27th, 2021 by Jill Caputo, Organizer

Hi everyone,
I wanted to first thank each and every single one of you who has donated money and their time and support to Karen during this difficult, trying time.
With your help, Karen was able to give her Georgie a beautiful Celebration of Life memorial party!! It was an emotional, yet beautiful, heart warming tribute to George. With that being said, Karen and her son Daniel will not be able to stay in their home due to the fact that her and George were not legally married yet. That leaves Karen without a home which she loved so much.
Please consider continuing to donate and/or sharing this GoFund Me page as much as you can. Karen is so fragile right now and as strong as she has always been, she is struggling immensely right now.
Please keep Karen in your thoughts and prayers and please keep sharing this page. She was not strong enough to go back to work and full time was not even an option for her. She is getting major surgery in November, so she is in a tough place right now financially. Karen is in need of a place to live and this alone is weighing on her while she is still grieving the loss of George.
Let's help her as much as we can!!
Thank you !!

Subject's message to her fiancé one week after his passing. You always think there's more time , you always think tomorrow will be here . My heart has never hurt like this ! I have never loved or been loved like this! I've never had a best friend like this ! I never laughed or felt joy like this ! I never could have imagined one person could walk into my life and change it forever ! We had it all babe !!! I also though there would always be more time! Another day, another minute . It has been a full week since you left me and I swear the pain is getting worse! The thought of never kissing you or holding your hand or laying next to you again is like having my guts ripped out ! You are my entire universe!!!! My dear Georgie, my love for you will always be pure and true and unconditional!!!! Any and all signs are welcome !!!!! Guess what babe ? I FUCKING LOVE YOU !!!!!!!!! #myforever #tilthedayidie #soulmates #tilwemeetagain #bestfriends #unconditionallove #oneofakind

An example of Subject's content. There is nothing at all like a family of musicians!!! Last night I read my vows to my fiancé that I was supposed to marry this spring . That never happened. He passed 3 weeks ago ! These men that I call family now , honored my Georgie by not only taking care of me , but going above and beyond to honor him and his music !!!! Life isn't fair ! But this kind of support is priceless!!!

A photograph of two women standing in front of a large crowd at a concert. The woman on the left is wearing a black tank top with the text "GOOD GIRLS WEAR BLACK" and blue jeans. The woman on the right is wearing a blue tank top with a graphic and denim shorts. They are both wearing sunglasses and have their arms around each other. In the background, a large stadium is visible with the name "MAPFRE STADIUM" on the top. The crowd is dense and fills the stadium.

Subject's post on the anniversary of her fiancé's passing. Today I woke up crying. ☹️ It's an awful anniversary of the day I lost my human! Pushed myself to go to the gym to teach spin. 2 songs into class, power went out ! I ran and grabbed a small Bluetooth speaker from the gym. The sound paled in comparison to our usual sound system . I just looked up and said "really Georgie ?" Well everyone stayed and finished the class! No loud music, no fans , no AC, no light !!! I'm so proud of my spin crew! We did it!!!!!! Took a hot epsom salt bath when I got home. Watching Michigan football now , crock pot full of beef stew, kids coming for dinner with the dogs . The crying keeps creeping through . Honoring my George Paul Torre today in every way! Shots of Jack later! It doesn't get easier ☹️☹️ My heart hurts so bad today ! It's still real. He's not coming home . But I will see him again!!!! ☹️☹️☹️☹️

Subject shares her healing journey since her fiancé's passing. So many memories !!!! Tonight I finally got up the nerve to throw away some things The last towel he showered with , his shower poof, his toothbrush, slippers, deodorant , etc. I guess I thought holding on to those things would make him come back. Or that he would be upset with me for letting go . My heart hurts so bad tonight . Another piece of me gone . I can't stop crying . I can't breathe . I'm trying so hard to do this without you . I still love you ♥️! I'm sorry George Paul Torre!

Subject shares her struggle with loneliness, going out, socializing, and exercising since her fiance's passing. Yes it's time for my balcony posts! Grateful for the beautiful weather. I live a very lonely , secluded life. I can't seem to find my place in this world since my George Paul Torre passed away. Don't want to exercise, go out, socialize , etc. Depression? Perhaps. Generally sick of humanity , maybe. Too much pain, too much disappointment, just TOO MUCH. Getting old and still can't figure it out . All I know is my animals have held me together through it all . I pray I find my way in this world.

Subject's birthday fundraiser for pet rescue and adoptions. For my birthday this year, I'm asking for donations to All Fur One Pet Rescue & Adoptions. I've chosen this nonprofit because their mission means a lot to me, and I hope you'll consider contributing as a way to celebrate with me. Every little bit will help me reach my goal. I've included information about All Fur One Pet Rescue & Adoptions below. All Fur One's mission is to create a community focused, pet adoption center run by like-minded volunteers with a passion for rescuing dogs and cats. AFO strives to reduce the homeless pet population by forming collaborative partnerships with shelters in underserved areas to offer transport, safety and long term assistance to rescued pets and their future adoptive families.
