A screenshot of a social media post. At the top, there's a circular profile picture of a group of people, followed by the username 'bluesage_love' and a 'Follow' button. Below this is a post from 'bluesage_love' with a timestamp of '101w'. The text of the post reads: 'It feels like a dream come true, stepping out of itmatrix'. This text is followed by a row of emojis: a person in a suit, a person with a halo, a rainbow, a magic wand, a heart, and a blue circle. Below the text and emojis are four green tree emojis. At the bottom of the post, it says '1 like' and 'October 5, 2022'. Below the post content, there are icons for liking (heart), commenting (speech bubble), and sharing (paper plane), and a bookmark icon on the right. At the very bottom, there is a circular profile picture and the text 'Add a comment...'.

Subject shared a post for her birthday including multiple photos from locations she has travelled to. In the caption Subject mentions having ten surgeries and multiple hospital stays. Caption: I am humbled and grateful to each and every one of you who took the time to wish me a happy birthday. Thank you to my loving family, my dear husband, my daughter, and my son. To my dear friends, who are always there to lift (pick up the pieces) me up and help me see the positive side of life, even in the most challenging moments. I believe that we all face difficulties, but my intention is to always bring happiness and positivity to those around me. Despite my numerous surgeries(10) and hospital stays, I choose to focus on the good things in life and find joy in every day. May God bless you all and fill your lives with love and happiness.
