I'm good, Sweetie. I really appreciate that. You are such a kind and generous man. So many other people who could truly use some kindness in their lives right now. I am not sure if you realize it or not, but what you do is called Community Ministry. It's a beautiful and big deal. May you be abundantly blessed as you are a blessing to so many. ❤️

Hey Keith. Haven't seen you in a while. Are you still doing rock/dirt? I'm still needing the driveway done .I don't think it'll make another hurricane. Lance passed this past November 🥹. He made to just shy 36. So anyway I don't have to be as picky about rock anymore..

Case whenever you get a minute can you give me the guy's number that did your shower? I'd like for him to give me a price and later on today cuz me and Carrie come over and take a peek at your place and see your shower. I know I seen it went down. it look good. I want to see if the guy can give us an estimate

I Can't stop taking natural remedies because it calms me down from depression, I'm speaking from experience when I say that pills don't always work for everyone. I've had this terrible mental health issue for a long time, but it wasn'tuntil I found herbalist OSE on Facebook that he used natural remedies to treat my anxiety and depressive disorder. He also treats patients with ADHD, OCD, PTSD, and bipolar. Attempt to find him
