So... After getting used to being in bed by 9pm, we found ourselves in the unique position of staying out late at our Garvey's Christmas Extravaganza. So tired that we sleep till Sunday morning. LOL After a delay (sorry), here are some pics and videos of the great night we had. So many people to thank. Please forgive us if we leave someone out. For Starters Linda Feldman-Corozzo did a awesome job with promotion. Her generosity with all the prizes, and table decorations etc. It created a festive atmosphere for all to enjoy. Rocky Cicirello opened our show with his beautiful voice and lovable personality. Thanks Rocky, Great job. Thanks to a wonderful guy and friend Ken Ryan for providing us with his equipment in order to do the guest singer portion of the show. As usual he did an amazing job. The guest singers were off the charts. Thanks to Linda Garofolo, Ken Ryan, Rita Horowitz, Donny Pesce, Larry of the Belmonts, Harvey Sattleman, Karen Reibschied, Mommy Julie, and Joyce M. Liebman for adding so much more fun to our show. Most of all we need to thank the people who gave us the platform to sing in the first place. Our amazing fans, family, friends and guests who attended the show with their enthusiasm and supportive spirit. Thank you from the bottom of our hearts. As for Silver and Gold... We would like to thank three very special people. The band member that calms us all down when things get crazy, the keeper of all things, Joyce Wehmeyer. Our band mate Silky Steve Depalma with his great timing and rhythm. And the man that made this all possible, the voice that makes the room shake when he hits those low notes, our band leader/founder and Your Base Man, "Ern" Ernie Lackey.

A photograph of a man and a woman standing together in what appears to be a restaurant or event space. The man is wearing a red and black patterned blazer over a black shirt. The woman is wearing a black dress with a white lace sleeve. They are both smiling. In the background, there is a large, festive Christmas display with lights, garlands, and a Santa Claus figure. The room has a warm, dimly lit atmosphere with red tablecloths visible in the background.

You give an extra energetic good morning to the store clerk. You hold the door for someone, or maybe even reach out to someone in need. You put an extra couple of dollars on the tip at the restaurant. You somehow feel enlightened. Its magic... And it is the "Holiday Season". No matter what you celebrate, everything just seems a little better. To all who these words reach... May your Holiday season be Amazing and may your heart be filled with love and joy. ~ With Love, From Our Home To Yours

The image is a screenshot of a Facebook post. The main part of the image is a blue promotional poster for a music event. The poster features the text 'Easy Listening Productions LLC and Aunt Butchie's' at the top, followed by the address '430 Rt 9 North Englishtown NJ'. It then says 'present Music of Old with "Silver and Gold!"' and 'Tom and Kelly Thursday April 27th 6pm-9pm'. At the bottom, it says 'Great Food! - BYOB!' and 'Reservations : (732) 851-6626'. There is a small photo of a man and a woman on the poster. To the right of the poster is a comment section with several comments and a 'Well Done' star graphic.

There are still seats left for this amazing show now just 2 weeks away. If you saw the posts I forwarded from the Silver and Gold show at Aunt Butchies, that's just a small sample of how great Tom and Kelly are. And of course, The Demensions are not to be missed. Their harmonies, the leads. Robin's amazing vocals. 5 acts and incredible food and laughs. It all happens Saturday, May 13th in Flanders NJ.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. The left edge of the page is bound, showing the stitching and the inner cover material. There is no text or other markings on the page.

Thank you to my friends Tom and Kelly Silver and Gold and Ken Ryan and Linda Garofolo for coming out to support me and Nino Cosentino at Taverna On The Green last night in Paramus. I put them all up for some tunes and they all did an amazing job. Great time was had by all. Looking at possibly being back there in July.

A celebration in wine and song to be remembered. Our show last night at Tony's was Electric. What a great time. Thank you to Professional singers Maria Roldan and Michael Zandman for amazing guest performances. Thanks you to our friends and family for being there in support of us. The owner was so happy he booked us for next Saturday night at his other restaurant, Cipriani's in Neptune. Kudos to our friends Ken Ryan & Linda Garofolo, and Donny Pesce for packing the house at their shows as well. We missed you guys. All audio, videos and photos in the movie are from last night. Enjoy!

We would like to thank the New England, Doo-Wop Society for inviting The RB Express to be their second act of three at this special event. It was an honor to share the stage with such amazing talent. Thank you to Martha Marks for sitting in for our tenor Steve DePalma. We missed you Steve, but Martha did a great job. We met lots of very cool and interesting people. What a great warm, welcoming audience. We had an absolutely fantastic time and hope we have this opportunity again.

What a great night celebrating my birthday with my truly wonderful friends and my love Christian. I can't thank Nancy enough for cooking (my favorite) corn beef and cabbage. It was a birthday/Christmas night and I LOVED IT. Thank you Christian for everything and Nancy and Donny for a wonderful dinner. LOVE my gifts!!!!
🎵We are family, I got all my sisters with me and some crazy brothers🎵
LOVE YOU ALL ❤️❤️❤️

So I had a dinner party for my friend Linda 's birthday. I put my beautiful rug down that's been rolled up for 3 years since Ziggy likes to pee on it. Ziggy didn't like the balloons floating or the singing. But he behaved and had to wear a diaper. The carpet was rolled back up at the end of the night. What I do for this dog☹☹

This is fantastic. The phone calls have been coming in all day today and ticket sales have been amazing. We are already up to about 50. I want to thank Russell Barraro for coming by and picking up 18 tickets. Evone Firecracker is picking up 9 tomorrow from us. We were really overwhelmed and so happy when TomandKelly SilverandGold came by to purchase 12 tickets. They also donated 100 dollars to our equipment. Tom and Kelly along with RB Express will be donating their time to work alongside of Stiletto & The Saxman - The Arminios on the benefit for our Exercise room on January 26 at our club house. Doreen and I also are donating 100 plus I offered to help with classes and teaching safety and demonstration for our residents who want to learn. Tickets are now on sale Tuesdays and Thursday at the main office. between 10-11. Donations can be dropped off there as well. Make the checks to Cedar Glen Lakes. In the memo put Common Goal project fund (gym). Can't wait to perform for you and can't wait to work out with the new stuff. ☐ By the way Tom and Kelly did a fantastic job on NYE at our Club House. So Cool!!!

Just got home from a fantastic weekend in Florida. Tom & Kelly along with Tom's boys, Thomas, and Robert and Robert's girlfriend Emily took a flight to Florida to visit with Tom's ex-wife Karen to celebrate the birthdays of Thomas and Robert. Blessed! That is how we feel about our musical journey. Sang for a packed to the gills restaurant last night. Da Rosario was standing room only. We feel so bad as we got three calls from friends who called for reservations to be told they were booked. OMG, 116 reservations and at our last count before the show started more than 60 of those people came just to see Silver & Gold. We thank you all from the bottom of our hearts. Thank you, thank you thank you! We had so much fun. Dancing in the isles and lots of sing-along. It was an amazing party. Rosario was excited about our show and booked us for another so we will be back there on March 2. Mark your calendar. A special thank you to professional singers, Steve DePalma, Ken Ryan, and Linda Garafolo. Amazing job as usual guys. And also another, thank you to our semi pro singers who got into the action. Marilyn Micheli, Amy Handelman Schneider, Manny Rodriguez, Harvey (Saul Sattelman), Karen Reibshied, and Joe Pereira. Thank you so much for enjoying the evening with us and we can't wait to do it all over again. ❤️💕💕💕

In frigid weather, we had a great turn out last night. Unbelievable! We are so grateful to all who come and support our shows and last night was no exception. Our friend Lulu Bell even decided to celebrate her birthday party with us. What a blast. Thank you all so very much.

We had a awesome time this past Wednesday night. Sang for a great group of folks at Leasure Park Independent Living. It was their January Birthday celebration. Lots of birthdays. In fact, Lina turned 100 years young. (Wearing white shirt in the video) God Bless. It is such an honor to sing for people who have lived and done so much. We only hope that someone is there to sing for us some day.

Damn, we always wish we took more pictures when we were there. We had a great time at the Entertainment Luncheon South today. Ran into some old friends and made some new ones. We saw two amazing performances by BJ Adams and Timeless.

ADDED A FEW PICS. All I can say is WOW!! Our first show together with the amazing TomandKelly SilverandGold was an absolute blast! To sing with great, talented friends is the best! An amazing turnout of old friends and many new ones. Tom and Kelly were amazing as they always are. My love Linda Garofolo was fantastic as I knew she would be! We were so honored to have the great Julian and Domenique show up and sing a song for us. They are the BEST! Go see them if you have the chance, they are amazing! Our great guest singers all delivered great songs. We have to thank the East Brunswick Elks Lodge for hosting and doing a great job. We hope that this is just the first of many shows together. We had so much fun!

Entertainment for Exercise Room

On January 26th, there was a dance to raise monies to add additional equipment to the West Hall exercise room.

This was Joe and Doreen Arminio's (Stiletto & The Saxman) original idea for this endeavor. In addition, they provided entertainment, along with RB Express at no charge.

Joe and Doreen worked very hard to ascertain donations from various organizations/groups, plus individual generous donations were received from the following: Matt & Ellen Harrigan, Ed & Karen Stilwell, Davis Till, William & Diana Heins, Ann Marie Nasti, Elaine Hernandez, Donna Tomasello, Nona's, Heritage Diner, Varialle Pizza, Dickey's BBQ, Miracle Touch Massage, Rebecca's Cupboard, Manchester Dairy Queen, The GOAT Restaurant, Z-Marie, Sandy's Cozy Corner, What's Cookin, Beach Buddha, Evonne's Quilts, The Barn, Tom & Kelly Cusmano (Silver & Gold), Bill & Grace Godel, Vinnie & Corinne Galluccio, Angelo & Johanna Ruggiero, Gaetana DelVirgino, Tom & Lois Brusca, Mike Bonu-omo, Joseph Pezzano, Michele Blakely.

Joe is trying to make our exercise room available to all residents of Cedar Glen Lakes. A healthy village is a happy village.

I want to thank Stan Hulse, Doug Burke, Henry Stuper, Eleanor Horvath and Corinne Galluccio for helping me with setup and cleaning after the dance.

If the plan doesn't work, change the plan but never the goal.

Monday night we taped the February episode of Let The Good Times Roll with Vito Picone. Guest were "Silver & Gold" - Tom & Kelly Cusmano. Look for it soon on CMSI Verizon Chanel 35 or Spectrum Chanel 79. It will be on Saturday night at 10pm and various random times throughout the month. It will also be on YouTube along with a dozen or so other episodes of the show. You can also find it on the Community Media app. Special thanks to David Marcus for a great editing job.

Monday night we taped the February episode of Let The Good Times Roll with Vito Picone. Guest were "Silver & Gold" - Tom & Kelly Cusmano. Look for it soon on CMSI Verizon Chanel 35 or Spectrum Chanel 79. It will be on Saturday night at 10pm and various random times throughout the month. It will also be on YouTube along with a dozen or so other episodes of the show. You can also find it on the Community Media app. Special thanks to David Marcus for a great editing job.

I missed you at the show on Sunday, but Linney said you had gone out the night before and were a little tired. There are alot of shows and the Luncheon where we can see each other. Stay well my friend!

They are OK. Not great harmony but that is my opinion. You guys are so much smoother with your vocals. But then again who am I? just a guy who grew up in downtown Jersey City in the 60's and did a little bit of harmony under the street lights myself LOL. ...

Bring a chair! 🪑 12-3:00 🕒 MONDAY

facebook.com/photo?fbid=10232431903129853&set=a.1475462016245

The image shows a Facebook post by Cheryl Lee. The main content is a colorful flyer for a 'Doo Wop Dogs' concert. The flyer has a yellow background with a multi-colored striped border. At the top, it says 'Doo Wop Dogs' in a stylized font. Below that, it says 'FREE CONCERT' in large red letters, followed by 'JUNE 10TH- 12-3:00' and '821 Atlantic City Blvd Bayville (Monday)'. There are several smaller images on the flyer: a woman in a chef's hat, a car with 'Doo Wop Dogs' on it, a woman singing, and a man playing a guitar. Text on the flyer includes 'Silver & Gold', 'One Year Anniversary', 'Park Across Street', 'Bring Chair', 'Across from Shady Rest', and 'Bob Kulik'. The Facebook interface on the right shows the post by Cheryl Lee, the text 'Bring a chair! 🪑 12-3:00 🕒 MONDAY', and several comments from other users.

OMG! What an amazing gig we had at Riv's hub yesterday. I was never expecting so many people to be so gracious and support not only RB Express but me for my birthday. Especially the unexpected visit from my son Josh. (Kelly) ...And wait, it was Father's Day too. So many Awesome Dads. Thank you. What an amazing afternoon! To top the day off Tom's parents, 86 and 88 years old were also present to enjoy the festivities. So many friends showed and we so appreciate them. Also, of course, our close dear friends. Yea, the crazy ones. Lol. Thank you all so very much from the bottom of our hearts. We are truly blessed! ❤️💙💚💛

We spent the day at Sons of American Legion Post 439 in Little egg Harbor today for the Doo-Wop Day Fundraiser. We had absolutely perfect weather. A giant crowd was on hand to listen to over 22 acts. Silver & Gold were very proud to be associated with such a good cause. We had a wonderful day! Thank you to all who had anything to do with creating and putting on this event. Especially our dear friends, John and Linny Bishop. You guys are the best!

We had another great party last night singing for Cedar Glen Lakes. What a Blast! Awesome group of people and so much fun. We even had a surprise guest. Tony Gilmore formerly of Kool & The Gang was there and gave us an amazing song. What a voice! Great time was had by all.

What a wonderful night celebrating [Nancy Winckelman Pesce](#) 68th birthday and Barbara too. Love when we get together like this but Nancy COOKED for her birthday!!! She is one in a million. Food was delicious, we sang, laughed, shed a few tears and raised a glass to US to our beautiful friendships.

I videoed snippets but the pictures say it all.

Happy Birthday sisterwife ❤️

Happy Birthday Barbara.

Thank you Nancy for a great night celebrating YOU ❤️❤️

Our time with RB Express has come to a close. With deep respect and gratitude, we reflect on the incredible journey we've shared with our bandmates, Ernie Lackey and Steve DePalma. Tom and Kelly, Silver & Gold, will continue forward as a duet, but we leave RB Express feeling fulfilled, thankful, and proud of all we've accomplished together. The friendships we've forged along the way will remain a treasured part of our lives. A heartfelt thank you to Ernie for inviting us into the group and for everything he has done for us over the years. Your support and camaraderie have meant the world. We also want to express our appreciation to Steve DePalma, whose quick wit and humor never failed to make us smile. It's been a true pleasure sharing the stage with you. We have no doubt that the new RB Express will continue to thrive, and we wish every member success and happiness in the future.

Tom was browsing through some old songbooks when he stumbled upon an old friend. We couldn't possibly remove him from his resting place. Years of campfire jam sessions have created lasting bonds with these familiar tunes. Making music brings us pure joy! ❤️❤️❤️❤️❤️❤️

A beautiful friendship came to be

God sent another brother to me ❤️

Ken has consistently encouraged and supported so many people along his journey without hesitation or ever asking for anything in return. When Linda came into his life it was a two for one all the way!!! How blessed we are to continue this journey with them and other friends we met along the way. A class act for sure ❤️❤️

We will be performing at this event. Please join us and help this amazing and beautiful young lady - Aly ❤️🎵❤️🎵❤️🎵🎵🎵

Dear Friend,

We invite you to join us in supporting Alyse Aquino, a 44-year-old woman whose life has been marked by immense medical challenges and unwavering resilience.

Diagnosed with Type-1 diabetes in childhood, Alyse has endured decades of complications, including over 30 hospitalizations, a kidney transplant in 2011, and a rare cancer diagnosis in 2021. She continues to face life-threatening health issues, including severe insulin resistance caused by PCOS, which worsens her diabetes. Critical, life-saving medications are not covered by insurance, leaving Alyse in urgent need of support.

To help Alyse, we are hosting a fundraiser on May 31, 2025, at Jacques Reception Center in Hazlet, NJ. One hundred percent of the funds raised will go toward her treatments, medications, and therapy. Your contribution—whether through event attendance, monetary donations, basket item contributions, or simply sharing her story—can make a life-changing difference.

Alyse is a beloved daughter, niece, aunt, and friend whose dreams have been derailed by illness, but with your help, she can find hope and dignity once more.

Alyse is so much more than her diagnosis. Thank you for your kindness and generosity. Together, we can give Alyse the chance to keep fighting.

Sincerely,

Friends of Alyse Aquino

A Quiet Afternoon and a Lifetime of Gratitude Yesterday, Kelly and I had the pleasure of hosting my parents for the afternoon. It was a special day—my dad’s 89th birthday. As we sat together, shared stories, and laughed in that familiar way only families can, I found myself reflecting on just how much I owe these two incredible people. All the memories I carry from childhood are good ones. That in itself is a rare and beautiful gift. My parents gave me not only love and support, but something even more lasting: the tools to face life with strength, kindness, and resilience. Whether they realized it or not at the time, every gesture, every word, every moment they gave us boys shaped who we became. They were never just parents to the four of us—they were steady hands, open hearts, and tireless champions. Their thoughtfulness and care were constant, even when life wasn’t easy. They showed up. Always. I owe everything I do, everything I have learned, and everything I am to them. And yesterday, as I looked at my father turning 89—still wise, still gentle—I felt nothing but gratitude. For him. For my mother. For a life shaped by love. I Love You Both with All My Heart. ❤️👉❤️👉❤️👉❤️👉❤️👉❤️

Subject in a group of people by a tent outside.

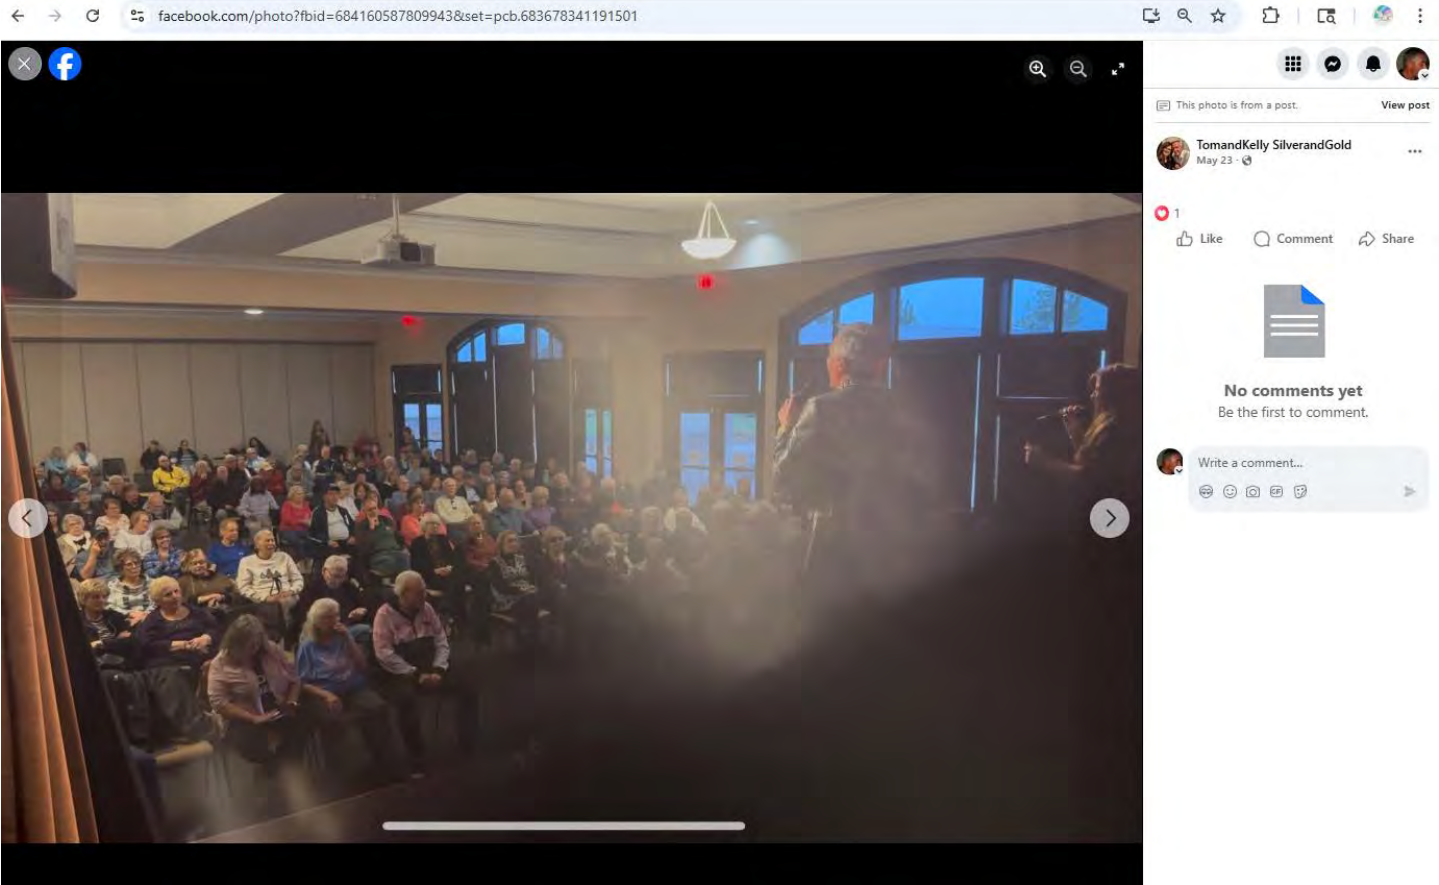

➦ facebook.com/photo/?fbid=682715074621161&set=a.108763128683028

A group of nine people, mostly men, are standing under a white pop-up tent outdoors. They are dressed in casual attire, including t-shirts, jeans, and hats. Some are holding musical instruments like a saxophone and a guitar. In the foreground, there is a black sign with the text "Doo Wop Dogs" in a stylized, yellow, cursive font, flanked by two hot dog icons. The background shows a grassy area and some trees.

It was a great night last night at the Rally for Ally and opening up the evenings event sharing the stage with TomandKelly SilverandGold and of course Richie Santa's Tribute to Elvis and Step By Step A Tribute to Johnny Maestro. It was an all-star line-up of entertainment for such a great cause and we were honored to be a part of it!

Happy Birthday My Love! ♥️♥️♥️♥️ Nearly 13 years ago, I was lucky enough to begin the most incredible journey with the most beautiful, extraordinary woman I've ever known. Since then, my life has been richer, deeper, and more meaningful in ways I never could have imagined. We've walked through storms and stood in the sunshine together. We've faced hardships that might have broken others — but instead, they made us stronger, brought us closer, and reminded me time and time again of just how rare and remarkable you truly are. Through every chapter — the laughter, the tears, the late-night talks, the quiet mornings, and the chaos in between — you've been my constant. My heart. My home. Your strength inspires me. Your kindness grounds me. Your beauty, inside and out, leaves me in awe every single day. You are my partner, my best friend, my safe place, my once-in-a-lifetime love. Thirteen years later, and I still look at you with the same wonder I did in the beginning — only now, it's deeper, fuller, shaped by all the life we've lived together. I love you "More Than Words" could ever fully say, and I will spend the rest of my life showing you just how much you mean to me. Here's to everything we've been through — and everything still ahead. I wouldn't want to do any of it with anyone but you. All this and the Voice of an Angel. I Love You My Kelly. Happy Birthday! ♥️♥️♥️

While visiting a dear friend, we stumbled upon a delightful musical treasure—"Nothing Stays the Same," a charming CD by the ever-smooth Vito Picone. It was a veritable candy shop of nostalgic tunes, each one sweeter than the last. We were especially enchanted by the final track, "I Who Have Nothing." It carried a certain vintage magic, though we couldn't help but imagine how it might shimmer even more brightly without the crowd's enthusiastic hum in the background. So with a little magic, we did just that. We hope you enjoy this as much as we do. ♥️♥️♥️

What a fun night at Zi Marie's listening to SilverNGold (Tom n Kelly). Our wonderful friends, great entertainment, food was delicious and the owner Umberto and the Servers too were wonderful. Great time! Oh ..and I had a new pasta called Farfalloni. It looked like a butterfly. Thank you Tom and Kelly for a fun night.

Silver, Gold, and a Dash of Red

This morning, the dazzling duo—Silver and Gold—set off on their trusty two-wheeled chariots, seeking glory, sunshine, and maybe a croissant or two. The wind was whispering secrets through the trees, the birds were composing symphonies overhead, and all seemed golden.

Until... we met The Gravel Road.

Oh yes, the infamous, sneaky, crumbly, conniving Gravel Road! It shimmered like a harmless path of sparkly stardust—but lo! It was a trap! With the grace of a ballerina and the boldness of a pirate queen, Gold (that's Kelly, if you're keeping track) took a tumble, a swoop, and a whoosh! right onto the stage of gravel, leaving behind a flourish of red on her knee—a dramatic splash of color to complete the palette.

But did she cry? Did she quit? Nay! She stood tall, brushed off the dust like a warrior from the kingdom of Band-Aidia, slapped on a plaster badge of honor, and declared, "The show must go on!"

And on it went.

The fearless twosome rode off again, conquering the enchanted trails of Pine Barn, where squirrels waved pom-poms, chipmunks sang harmony, and the trees leaned in to hear tales of bravery and balance.

It was a ride of laughter, triumph, and slightly stinging knees—a day that will forever be remembered as Silver, Gold, and a Dash of Red.

What a magical night in Valley Stream, Long Island! ♥♥♥♥ We had the absolute joy of opening for the The Excellents—and oh, what a show they put on! ☺ Their harmonies were smoother than a summer breeze, and it was truly an honor to share the stage with such legends. A heartfelt thank-you to our friends (and headliners extraordinaire) for inviting us to be part of the evening. The crowd? Simply delightful! Warm smiles, tapping toes, and all the love in the air. And while the night started off a little toasty, the breeze eventually joined the party and made things just right. From the first note to the last goodbye, it was one of those nights you tuck away in your heart. ☺ Until next time, Valley Stream... keep the music playing! ☺☺ ♥♥♥♥

On Wednesday night, I went to see my friends the Excellent's perform at The Valley Stream Outdoor Concert. I was pleasantly surprised to see that there was an opening act "Silver & Gold" Tom & Kelly. I have never seen them perform before, Kelly introduced herself to me and told me that this was their first long Island show. They usually perform in New Jersey. This husband and wife team, should come back to Long Island, they had the audience on their feet dancing. A great night of music, The Excellents were true to their name and Silver and Gold, were Golden. Here are a few photos. Thanks Jimmy Fitanzo and the Village Of Valley Stream, for these great concerts.

WOW — Thank you everyone for the avalanche of birthday wishes! I barely survived being buried under all that love... but what a way to go! Over the past few years, Kelly and I have met so many incredible people — friends, fans, fellow music lovers, and a few wonderfully weird folks who showed up for the party and stayed for the harmonies. To my duet partner for life, Kelly: thank you for keeping me in tune, on beat, and occasionally out of trouble. You're the real MVP of this operation. To all our fans and friends — old, new, and slightly confused — thank you for being part of our musical mischief. Your support means the world (and gives us an excuse to keep making noise in public). Here's to another year of songs, silliness, and singing way too loud in places we probably shouldn't. Thank you again from the bottom of my heart for making my birthday a truly special day. Stay awesome, stay weird, and keep clapping on 2 and 4! ❤️💙💚💜

WOW — Thank you everyone for the avalanche of birthday wishes! I barely survived being buried under all that love... but what a way to go!

Over the past few years, Kelly and I have met so many incredible people — friends, fans, fellow music lovers, and a few wonderfully weird folks who showed up for the party and stayed for the harmonies.

To my duet partner for life, Kelly: thank you for keeping me in tune, on beat, and occasionally out of trouble. You're the real MVP of this operation.

To all our fans and friends — old, new, and slightly confused — thank you for being part of our musical mischief. Your support means the world (and gives us an excuse to keep making noise in public).

Here's to another year of songs, silliness, and singing way too loud in places we probably shouldn't.

Thank you again from the bottom of my heart for making my birthday a truly special day.

Stay awesome, stay weird, and keep clapping on 2 and 4! 🎵🎵🎵🎵🎵🎵

I want to send out a huge thanks to everyone involved with today's Tunnels to Towers fundraiser at Cheryl Lee's DooWop Dogs in Bayville. Amazing lineup of entertainers. Tom and Kelly Silver and Gold, Brad Ziffer, Joey Arminio, Richie Santa and John Bishop and Joey D. And yours truly was honored to be a part of this amazing lineup. My honey Linda Garofolo was truly missed today. For all the volunteers that helped with raffles and decorations. THANK YOU!! Special thanks to Tom Cusmano for all the hard work setting this up and to Cheryl Lee for being a great hostess and running the hot dog truck all day. Amazing job by both. And to the amazing crowd. So enthusiastic and engaging. You're the best! It's always an honor to be a part of a special event like this. We love you all!!

I remember being 17 years old, out fishing with some friends one day. I looked up at the sky and saw big, beautiful white puffy clouds drifting by, and I thought to myself... “Wow—I’m alive.” I told myself I wanted to remember that feeling every single day, every single moment, for the rest of my life. This positive thought process carries me through every day. This morning, on my daily walk, I looked up... and I saw those very same clouds. I’m 17 again. ~Tom ♥️♥️♥️♥️
