Findings:
During DOI, the Subject posted frequently on Facebook, Instagram, and X, updating posts multiple times a day. Personal posts include frequent selfies, expressions of self-confidence, updates about family members, emotional reflections on loss, including funerals and the passing of friends, his mother, and a young student. He also shares moments from everyday life, including celebrations, astrological references (e.g., identifying as a Taurus), general mood updates, and partaking in illicit drug use and drinking alcohol. Professionally, the subject actively promotes his music career through performance announcements, music video links, radio interviews, and affiliations with a rap group and brand (Derty Macs).
