My Favorite Thing about Altitude Community Law P.C. is:

Friendly work environment and the top tier organization systems set in place.

The most challenging part of my job is:

Having a paperless position when scanners are down.

The last thing I learned at work was:

Organizing my workflows in PracticeMaster.

A Word I would use to describe our Firm culture is:

A clear glass bottle of Burnett's Vodka sits on a green surface. The label features the brand name 'BURNETT'S' in a stylized font, a crest with a crown and two lions, and the word 'Vodka' in a script font. Below that, it says 'QUADRUPLE DISTILLED FOR SUPERIOR SMOOTHNESS'. The bottle is partially filled with a clear liquid. In the background, there's a red bowl and some indistinct objects on a table.

Gavin was an awesome teller omg haven't experienced customer service this good in a long time. I went to the drive thru which was down for cash deposit then I went to the walk up ATM Where I was met with Gavin's great customer service who told me that ATM was also down and that he can take care of me inside once inside I realize I left my card in the drive-through ATM. Gavin expeditiously went to the Drive-through ATM and got the card for me came back helped me make a deposit. It was just an amazing experience, especially with such a short amount of time on my lunch break, this will be made my home branch. I really appreciate it Gavin is a rockstar

Absolutely horrible manager who much rather argue then fix the problem. Which was the amount of sauce put in boil bag literally they went up in the price and down on quality and quantity. Definitely a disappointment I really loved this place a year ago

Food was dry and not actually Jamaican or jerked at all. Honestly feel like this is the worst culture impression ever! Rice was very old steel. Save your money eat at the juicy Lucy steak house or the Qdoba honestly. ANYWHERE BUT HERE!
