Additional Info :

Plaintiffs John Ashton Herring (approximately 25 years old at the time of the incident) and Lucero Saucedo (approximately 20 years old at the time of the incident), allege injuries as a result of the sudden stop of an elevator occurring on September 15, 2021 at 2101 Rio Grande Street, Austin, Texas 78705. Plaintiffs allege they entered the elevator from the 2nd floor of the 21 Rio parking garage. Plaintiff Saucedo pressed the button for the 19th floor. When the elevator reached the fifth or sixth floor, it made jarring noises for a few seconds. The elevator then, without warning, plummeted to the ground level in "complete free fall" before hitting the ground floor level of the elevator shaft. Plaintiff Saucedo then hit the fire department alarm and sounded the internal elevator alarm to alert that Plaintiffs were stuck. Then, suddenly and unexpectedly, the elevator somewhat regained operation and began ascending upwards. In an effort to get out of the defective elevator as fast as possible, Plaintiff hit every floor button until Plaintiffs were successfully able to exit the elevator at the 7th floor. Plaintiff alleges management delayed in shutting down the elevator and made no attempt to render aid. They also allege the subject elevator was not certified for service at the time of the incident. While not mentioned in the Plaintiffs' First Amended Petition, Plaintiff Lucero Saucedo's medical records mention a second incident on March 31, 2022 where she was on another elevator in 2101 Rio Grande Street when it fell several floors leaving her stuck inside for 45-60 minutes. Plaintiff Lucero Saucedo claims she sustained injuries resulting in a contusion to the left shoulder, bruising to the left side hip and elbow, left side shoulder and elbow joint pain, low back pain, whiplash, mental trauma, anxiety, and PTSD due to a fall against the elevator wall.

Three women are posing together in front of a wooden piano in a lobby. They are all smiling and looking at the camera. The woman on the left has long dark hair and is wearing a green long-sleeved crop top and light-colored pants. Today, I couldn't help but feel overwhelmed with love for all the people who have supported and encouraged me along the way. To my family, friends, mentors, and teachers - thank you for believing in me and pushing me to reach my full potential. Without your unwavering support, I would not be where I am today. As I embark on this new journey, I carry your love and guidance with me always. Thank you from the bottom of my heart.

Your unwavering support has helped me achieve this milestone, and I'm excited to announce that I'll be attending St. Mary's School of Law in the Fall. Thank you for being a part of this journey and for always inspiring me to chase my dreams.

Photos of Subject's Herring and Saucedo (and mother of John Saucedo) at a vineyard.

A couple is standing in a vineyard. The woman, on the left, is wearing a green and white patterned dress, a brown woven handbag, and white sandals. She is looking up at the man. The man, on the right, is wearing a grey short-sleeved shirt, khaki shorts, and sunglasses. They are standing on a grassy path next to a fence with grapevines. In the background, there are trees and a tall metal tower. The sky is clear and blue.

Photos of Subject and friends.

A photograph of three women posing together in front of a wooden wall. A neon sign above them reads "datt a party" and "the a KD party". The woman on the left is wearing a black long-sleeved top and glasses. The woman in the center is wearing a brown tank top. The woman on the right is wearing a black dress. They are all smiling and appear to be at a social gathering.

The image shows a man and a woman standing in front of a light-colored wall. The wall has the phrase "i love you so much." written on it in a large, red, cursive font. The man is on the left, wearing a light blue and white checkered shirt, dark jeans, and a tattoo on his right arm. The woman is on the right, wearing a white button-down shirt, blue jeans, and a black handbag. They are both smiling and looking towards the camera.

I'm not the most sentimental person ever. But, wow. Today was amazing and I couldn't have done it without my family and friends support. Thank you to everyone who pushed me to be the best version of myself. I love you all and I could not have asked for a better college experience, even though it happened during an entire pandemic.

My time in the Texas State Capitol has been nothing short of extraordinary. Working alongside an exceptional team, I have been fortunate to witness firsthand the power of collaboration and the transformative potential of public service. The knowledge and skills I have acquired during this experience have been invaluable, shaping me both personally and professionally. Senator LaMantia's leadership and passion for creating meaningful change have inspired me every step of the way. Her unwavering commitment to her constituents and the betterment of our great state is truly commendable. It has been an incredible privilege to serve as her scheduler and legislative aide, supporting her in making a positive impact on the lives of Texans. Being a part of Senator LaMantia's team has not only deepened my understanding of the legislative process but also strengthened my belief in the power of effective governance. Thank you, Senator LaMantia & Team LaMantia for entrusting me with this vital role and for providing an environment that fostered growth, collaboration, and learning. I am forever grateful for the remarkable experience, and I promise I'll be back! #SD27 #txlege #956

A photograph of a young couple at a football game. The woman, on the left, is wearing a black button-down shirt and making a peace sign with her right hand. The man, on the right, is wearing an orange Texas Longhorns polo shirt and sunglasses. They are standing in the stands of a stadium, with a football field and a large crowd in the background. The sky is clear and blue.

Got to see the amazing Tequila Rose perform yesterday. She is beautiful, fierce and a captivating artist. I am so proud of all these kids and as I watched, so many memories of years gone by flooded through my mind. Friendships that started back in elementary school stand strong and create a tapestry of love and acceptance.
In a world filled with hate toward so many people in our society, may we remember to stand up against hate and love all people.
It was an amazing day and I loved to be able to see Tequila shine. Here's to Petunia and my favorite queen. Love you both!
