REPLY / REBUT

NikiNolia and I have been corresponding for a couple weeks now. Over the Weekend we were able to lock in on a date and time for this morning. Niki agreed to provide the first massage to me this morning. A very relaxing atmosphere with soft background music, massage table, and she had all the essential lotions, creams, oils, and even the hot moist towels. She gave one of the best massages that I have had in years - with firm yet gentle hands - I could tell immediately that she has been well trained. She never rushed on any of the critical parts that sometimes get skipped over - especially the legs and feet, and the right amount of pressure and slow stretching. I was extremely pleased and relaxed by the end of the massage! On a scale of 1-10 with 10 being the best - she gave at least a 9.9 or better! Thank you Niki! I look forward to our next visit together!

Relax N' Rejuvenate 317

Relax N' Rejuvenate 317 added 10 new photos to the album: Some Services Offered.

September 21, 2018

Few services offered

Deep Not So Deep

60min. \$125 90min.

a deep tissue massage, but hate the pain. My signature massage is just the answer. Relaxing choreographed waves of kneading open up muscles, free energy blockages, and release tension. This therapy incorporates more lymphatic drainage than a traditional deep tissue, resulting in deeper detoxification and an enhanced boost to the immune system.

Power Cleanse

\$90 Hour or add on \$65

Perfectly customizable for powerful results. This facial therapy adapts to fit your every concern — from acne to aging to sun damage — while you experience complete tranquility. It begins with a specially selected exfoliating mask to prepare your skin for extraction and detoxification, and skin is left invigorated, hydrated, and smooth.

Brightening

\$110 Hour or add on \$50

Get a gorgeous glow going, courtesy of this fine-line-erasing, dark-spot-removing, total skin booster. The resurfacing mask infuses the face with vitamins and antioxidants, including green tea and fruit extracts. The rejuvenation of the skin is then completed with a soothing, hydrating mask of hyaluronic acid and anti-inflammatory ingredients.

Japanese Fusion

60min. \$105 90min.

Japanese-based therapy combining the best of traditional therapeutic massage practices to provide a full hour of relaxation. Rhythmic massage movements are coupled with the use of powerful essential oils. Customize your massage with a choice of an uplifting, detoxifying, or relaxing blend.

Glow

\$120

Polish your skin like never before with my signature body scrub therapy! Deep exfoliating and body scrubbing techniques are used in tandem to exfoliate and improve the skin while detoxifying the body and increasing circulation. A rich application of antioxidant moisturizer follows. It's the perfect prep for a new season (or just a new day).

From my event created FB suggested I do this. I'm proud of where I'm at and the steps I've made to help get me here today. Most importantly thankful for God allowing me to have the strength, knowledge and courage to start my own business. I'm was a medical assistant (podiatry was my speciality)before going back for massage therapy, but my first job is a mother. I couldn't do doctors saying patients come before my son so I took a chance and went to school full time while working. Started my own business as a massage therapist and never looked back. I had no investors, no loans, no help from anyone but God and faith. I'm not gonna lie times get hard but knowing I have more time to be there for my son is priceless. Now a year later I found a bigger location closer to home. I'm having a re-grand opening for my business and invited vendors and food trucks out, and not charging anyone to setup at my event. My spa is kid friendly and there will be games to play and \$1 raffle tickets for prizes. If unable to come out but would like to donate I thank you. The money would go to getting a pedicure chair so I can offer diabetic and routine nail care to those that only see a podiatrist once every 2-3mos because of insurance and to be able to give more services to our community (schools, parents, medical staff, elderly..) at affordable prices.

My schedule can book up fast. If you book please provide your location at least 1hr before your service. Allows adequate time for me to pack up for what services you requested and drive to your location to be on time. I will have to cancel your appointment and refund your deposit if I feel I can't get to you at requested time due to lack of location information. It's unfair to rush your session, unfair to the person after you that has booked and provided location info and unfair to me to feel rushed and having to choose what's fair. I have a 24hrs no refund policy that will be enforced. If you book and don't give at least 24hrs notice to fill due to change in your schedule you will lose your deposit. If you schedule a time and fail to give location information or show up to your session you will lose your deposit. Gotta start enforcing rules cause my time is money. too. ❤️ thank you in advance

My childhood was filled with fantastic fun because there was never a dull moment with you, dad. Even presently, I smile at some of the memories. Thousands of words only scratch the surface of my thoughts about you, father. The description of your persona is best summarised as perfect. One of the best ways to appreciate a fine gentleman like you is by praying for their continuous existence on earth. Will you mind if I command heaven to release all the wonderful benefits that befit a man like you? I know you wouldn't mind. ☺☺Happy birthday daddy ☺☺ I love you so much. ☺☺☺☺☺☺

Trying a new spot to me..#chapati for some of Shani's secret chicken. The smells of "Tasty Food Just Ahead" greeted me when I opened that door. Nice gentleman that took my order and it is set up for you to chill with your family or friends. After getting home from smelling this delicious chix 🐔 I couldn't wait to taste and ALL I can say is yum yum 🐔 nice heat, I got spicy (wanted sauce on side and a smoothie that wasn't available) that is the only reason not a 10/10!! It taste so great and these are nice size pieces. I can't wait to try them again. If you got this far and haven't done so.. plz click the link and hit like. Thx u 🐔

Brooooo I say this every year. Soon as some precipitation, especially if it's snow (but rain totally counts anymore), people suddenly forget how to fucking drive. Y'all, just go home until winter is over. Other animals hibernate. You can too.

Food fest i wanted something sweet. Tried #fluffydesserts and they were so yummy ☺ strawberry cheesecake milkshake (smashed into that didn't get a good pic) and tried mini pancakes for first time... was pleasantly surprised the flavor was good and that strawberry sauce made it pop even more!! Time to chill then back out for more fun with family and friends ☺ ♥

If you love eggs, you will really appreciate this post!! DUCK EGGS FOR SALE \$\$\$ \$1.00 PER EGG THEY TASTE GREAT IN COOKIE RECIPES ☐!! Did you know.... Duck Eggs V's Chicken Eggs ☐ Duck eggs are larger in size than chicken eggs. The whites in chicken eggs have a higher water content (more runny) than the whites in duck eggs. Duck eggs have larger yolks and a higher yolk-to-white-ratio than chicken eggs. From doing some research, they are different from eachother so I am gunna break it down quick: ☐ Duck eggs are GREAT for baking ☐ Chicken eggs have thinner shells ☐ Duck eggs are larger and richer than ☐ eggs ☐ Chickens are prolific layers year around if taken care of correctly but ☐ ducks are as well with much less light necessity ☐ Duck eggs stay fresh longer because of their insanely thick shell ☐ Duck eggs contain 30% more protein, and a different type of protein that ☐ chicken eggs so if allergic to chicken eggs, most can eat duck and visa versa. Ounce for ounce, ☐ duck eggs contain more Omega-3, Vitamins A and D, fatty acids, choline, folate, and iron than ☐ chicken eggs. ☐ Chickens lay well for about 1-2 years then dramatically start slowing down production while ☐ ducks lay a solid 4-5 years before they slow down ☐ Chicken eggs come in a lot more colors So there ya have it!

I LOVE MY NAIL TECH!! I have been getting my nails done with Adam when he was out west and followed him all the way east (30min drive yall) YES HE IS WORTH EVERY BIT OF THE DRIVE!! I come here to get pampering for my hands and feet. Adam is my go to and Lucy gets my man right each time. The massages with the pedicure is AMAZING. ALL my artwork he does by hand. NO stickers!!
