Findings:

Before the DOI

Subject was actively engaging in various activities; including, dancing in August 2021, working out, and performing yoga poses. Additionally, the subject spent time with friends in September 2021, and frequently posted videos of her lip-syncing over audio on her Instagram and TikTok accounts.

After the DOI

Subject attended a burlesque show in December 2024, enjoying a Candlelight Orchard quartets performance in November 2024, and was part of the Beetlejuice Experience in August 2024. The subject also went dancing for her birthday in July 2023. She mentions a juice cleanse and fasting in May 2023, and a video in April 2023 discussing alcoholism, it's unclear if it was satir.

Earlier, in February 2022, the subject was observed playing pool and mentioned being in Detroit in January 2022. Lastly, a picture from December 2021 shows the subject's foot in a cast, she mentions she had three

fractures. Most of the content on her Facebook, Instagram, and TikTok accounts overlap with each other.

The Pinterest account couldn't be confirmed due to a lack of associate connections and content but is included based on the uniqueness of her name. The LinkedIn accounts couldn't be confirmed due to a lack of content and photos of Subject, but they're included based on Subject's name and current and previous locations.

Property and Court Records:

Owner information is not available on the property records for the provided address, 7095 Hollywood Blvd #349, Los Angeles, CA 90028. Please note that this report's "details" section includes the last two years of Subject's address history, as found on the background check. 13 traffic court records were discovered for Subject in Michigan. One property court records was discovered in California.

NATEIRRAH THOMAS *Behavior Technician*

NPI Profile for **NATEIRRAH THOMAS** in NOVI, MI.

The behavior technician is a paraprofessional who practices under the close, ongoing supervision of a behavior analyst or assistant behavior analyst certified by the Behavior Analyst Certification Board and/or credentialed by a state (such as through licensure). The behavior technician is primarily responsible for the implementation of components of behavior-analytic treatment plans developed by the supervisor. That may include collecting data on treatment targets and conducting certain types of behavioral assessments (e.g., stimulus preference assessments). The behavior technician does not design treatment or assessment plans or procedures but provides services as assigned by the supervisor responsible for his or her work.

The screenshot shows an Instagram post by user nateirrah37_detroit2. The main image is a close-up of a woman with dark skin and hair, wearing a leopard print headscarf and a matching scarf. She is resting her chin on her hand. The video player interface shows 'This week' and '1 year ago' with a play button icon. To the right of the image, the user's name and a 'Follow' button are visible, along with the song 'Chris Brown • Call Me Every Day (feat. Wizkid)'. Below this, there are two comments: one from nateirrah37_detroit2 saying 'Looking back on a year ago!! I love this Song Btw' and another from redradical21 saying 'You feel like a different woman'. The post has 8 likes and was posted on September 6, 2022. At the bottom, there is a comment input field with a smiley face icon and a 'Post' button.
