My guess is it's either holding your smart phone for too long, in which case I suggest this:

Or not getting enough rest, in which case I suggest taking a couple of extra hours to relax every day

Before DOI. Me before shooting/after shooting ☐HELLO! Tonight you can catch me on @shermansshowcase on @ifc at 10:30PT and again online tomorrow I THINK on Hulu? Or IFC? I dunno hahah. Anyway I wrote this character as well as play her, which was a huge honor for me. This show is run by the smartest funniest dudes in the biz, @diallo and Bashir Salahuddin (who also plays Sherman and is SO fun to act with, every take is different and we got to improvise so much ridiculous shit). I loved being a part of this show and I hope you watch it and enjoy! This episode is a 90s spectacular called "Murder at the Shrink"oooooh who died? Who is the murderer?!?! ☐ ☐ if you're still reading this caption thank you and I love you. Watch the show TONIGHT!

Before DOI. Subject adopted a dog Surprise! This is Izzy, she lives with me now. I love her. Back in 2020 I wanted to adopt a pup but I was applying and hearing nothing bc in the early pandemmy *everyone* in LA was adopting. Recently I applied at a few places and heard back SO QUICKLY. I met Izzy (néé "princessa") through @deityanimalrescue. She was the first dog I looked at and it all went so quickly and I was like wow ok I have a dog now. It was honestly kinda scary at first, but now it's the BEST. She's making my place feel like home. 🐾❤️ Also I want to give a MASSIVE shout out to @tailwaggerspets, I walked in just to buy a toy and when I mentioned I am in the process of adopting her, they set me up with an Adoption Bundle, aka a tonnnn of free delicious food that she loves. I only had to pay the \$5 tax on it!!! Go to tailwaggers if you adopt a new pup! They're amazing. And hit up Deity too, they've been soooo good to me and they have so many adorable dogs avail right now. Welcome home, Izzy. I love you babyyyy. 🐾 #izzybaby #adoptdontshop #deityanimalrescue

niccoleturman Surprise! This is Izzy, she lives with me now. I love her. Back in 2020 I wanted to adopt a pup but I was applying and hearing nothing bc in the early pandemmy *everyone* in LA was adopting. Recently I applied at a few places and heard back SO QUICKLY. I met Izzy (neé "princessa") through @deityanimalrescue. She was the first dog I looked at and it all went so quickly and I was like wow ok I have a dog now. It was honestly kinda scary at first, but now it's the BEST. She's making my place feel like home. 🥰💖 Also I want to give a MASSIVE shout out to @tailwaggerspets, I walked in just to buy a toy and when I mentioned I am in the process of adopting her, they set me up with an Adoption Bundle, aka a tonnnn of free delicious food that she loves. I only had to pay the \$5 tax on it!!! Go to tailwaggers if you adopt a new pup! They're amazing. And hit up Deity too, they've been soooo good to me and they have so many adorable dogs avail right now. Welcome home, Izzy. I love you babyyyy. 🥰 #izzybaby #adoptdontshop #deityanimalrescue

Before DOI. Oh also...hi new followers! I'm Niccole. This is my dog Izzy on top of me, I'm obsessed with her. I'm an actress/funny person/ tv writer/ cartoon voice person and just also? A pal. This account is a fun mix of me trying to be cute, funny, talk about Izzy and share tweets. Stick around, sometimes SOMETIMES we even play games in the stories where we judge hot people. I think I'll bring it back in 2023. Thank you so much for following me ♥

So this is PART OF what it looks like to be get in a wreck with a semi (EDIT: now that i'm not on pain meds i have learned it wasn't a SEMI but a VERY LARGE flatbed truck.) Let me tell you something; it sucks! I have a fractured back, neck, and clavicle. !WHAT?! But luckily I have a LOT of very loving people around me. ❤️❤️ also thank you to everyone who reached out to me on here. Love all of you!

Does it hurt more when you rotate your neck, or move your shoulder?

1 1 617

Nicole Thurman @niccoleturman · Feb 27, 2023

my shoulder kinda pulls down so I try to keep myself as straight as possible which barely helps and THEN it ALSO hurts when I rotate...so like yes to both?

I know this might be the most annoying answer but from someone who suffers so bad cardio helps lessen the pain because it helps blood flow and loosens up the muscles. But it obviously super sucks to exercise in pain.

yeah and I can't work out right now because broken back but the good thing about being in pain is that my body is working so hard that even standing up and walking to the kitchen feels like cardio bc of my heart rate hahahahahelppppp

I have lots of neck and shoulder pain as well, this has cervical traction stretcher thingy has helped me. I try to set aside a nice long chunk of time to use it (maybe 20 mins or so) and try to just lie mostly still and relax into the stretch. (Link in my next comment)

Dry needle therapy is muscle contracting/twitching solution that decreases pain and increases range of motion. I wish I knew about it years ago. After 2 to 4 sessions you will know if it works for you. Yes, You're welcome 😊

I had neck surgery after a few years of bad neck and shoulder pain. For me, the most helpful things I tried were: foam roller, physical therapy, traction, chiropractor (in a pinch for temporary relief), epsom salt bath, naproxen, and if all else failed, a large edible helped 😂

I know people will say it's bullshit but I used Arnica liberally after a car accident and I genuinely thought it helped. I also spent a lot of time horizontally with a pillow very specifically under my neck anytime I could. (I however did not get hit by a semi)

I have hairline fractures in my neck from the accident in 2 places, then using my left (non-dominant) arm to do most of the work because my right clavicle is broken is making my shoulder go cuckoo which then continues to bother my neck...so what I'm saying is we are having FUN

I'm not a regular smoker/vaper, but Sour Tsunami has really helped with my compressed-disk pain and doesn't mess with my head or give me a cortisol crash (read: no anxiety on the tail end). Some relief at night to wind down and sleep has been great. Best of luck, Niccole.

After DOI. THE STACKS 5TH ANNIVERSARY PARTY • • I'm still reeling from the party we threw to celebrate five years of this podcast. It was the most magical night. The best book people from @reparations.club let us take over the store to host the party. The guest list was beloved authors and guests, LA Stacks Pack, and of course my day ones. We had bomb tacos and sipped dangerously good margaritas from @bordergrill's truck. We acted a fool in the @friendlyfotoboothfun photobooth. My only regret is that I didn't ask @yeonjoo.xlee to snap a photo of everyone there all together. Extra special shout out to @takeonedaily.media for making this all come together in less than 3 weeks. • • I can't stress this enough, the community that y'all have helped me create with The Stacks is truly a dream come true. Thank you! • • I might have to post round two, because IG only lets you share 10 photos at a time. How rude.

After DOI. Izzy and I went to the Dog Beach today. It was chaotic, it was so fun, and she scratched every part of my body up from standing/lying on me. She's getting so much better at playing with other dogs! But if I laid down to read and a dog came up to us, you better believe she was ready to fight 'em hahaha. My little bodyguard. 🐾 * 🐾

I hate everything leading up to being there with the doctor. It's hard to enjoy your day. It feels like torture, waiting to hear what news they have for you.

own. I didn't want to live my life without living my life. I wanted to make my own decision as a free woman, from my soul, not my training. But the problem was, I didn't know how.

A few weeks later, I opened a card from a friend that said, in bold, capital, thick black lettering:

BE STILL AND KNOW.

I'd read that verse many times before, but it struck me freshly this time. It didn't say "Poll your friends and know" or "Read books by experts and know" or "Scour the internet and know." It suggested a different approach to knowing: *Just. Stop.*

After DOI. Went to Vegas over the weekend! Was planning on taking the trip with a friend and when it fell through I was like UGH I SHOULD CANCEL, but then I realized.....I need to break out of my routine (that's literally even what the @thepattern AND this Glennon Doyle book were telling me to do) so I went alone and met so many nice people, relaxed by the pool, didn't think about work (or lack thereof) all weekend, saw maybe one of the best concerts I've ever seen (a band I don't know super well so I also didn't have much stake in that but HOLY SHIT @lordhuron I am now obsessed). Do things to break the routine. Use the credit card points. Do things alone. Just do THINGS in general, stagnation is death. I'm realizing that more every dang day. ♥

Virgin Hotels Las Vegas

Went to Vegas over the weekend! Was planning on taking the trip with a friend and when it fell through I was like UGH I SHOULD CANCEL, but then I realized.....I need to break out of my routine (that's literally even what the @thepattern AND this Glennon Doyle book were telling me to do) so I went alone and met so many nice people, relaxed by the pool, didn't think about work (or lack thereof) all weekend, saw maybe one of the best concerts I've ever seen (a band I don't know super well so I also didn't have much stake in that but HOLY SHIT @lordhuron I am now obsessed). Do things to break the routine. Use the credit card points. Do things alone. Just do THINGS in general, stagnation is death. I'm realizing that more every dang day. ❤️

lyricalcatt Yas girl! I travel by myself all the time. It's something that people find so strange but I have the best trips and experiences and can fully refresh. And you had your pup too! That's a fun trip for sure! ❤️

Which *Sex and the City* character do you most identify with?

The sandwich guy that hit on Miranda on the street and was like EAT ME.

Without saying the number, what is an object that weighs as much as you?

about as much as a keg after some people have drank beers from it.

What is a trend you hope comes back?

IRL DATING ONLY. MEETING HOTTIES AT PARTIES. INTRODUCING FRIENDS TO HOT FRIENDS. OLD SCHOOL DATING, BRING IT BACK.

How did you meet the person to whom you lost your virginity?

Through my bff in school. Not gonna say how old tho lol.

Thoughts on God?

OOPS I ALREADY GAVE THEM

How is a raven like a writing desk?

Edgar Allen Poe would fuck it.

How often do you watch porn? Do you think that is a good frequency?

Never. I've watched it before but my brain doesn't work for porn. All I can think the whole time is that they're not really enjoying it. The only porn I've ever seen and KINDA liked was made by women or when I had to google "romantic" porn I'm a loser I just want love. I do not care at all if a partner watches it tho and I will never understand people that call that cheating. It's cheating to message your lil' bikini wearing friends and have emotional affairs online/maybe on only fans. Watching some cheerleader get blasted by a football team (consensually) is not cheating like....I don't even get that mindset.

Who or what gives you the ick?

People who expect everyone to do something for them and aren't grateful at all. Like who raised you and who the hell do you think you are?

If you have a pet, put a picture here. If you don't, a picture of your medicine cabinet. If you have more than one pet, pick the cutest:

After DOI. Hi! I really enjoy helping people make self tapes and I feel like I can really help you step your game up. After helping myself and friends book I realized it would be cool to throw myself into the cesspool of coaches in LA. I'm skilled and would love to work in all genres: comedy, drama, improv, even music! Hit me up! I'm doing it for super cheap to start off because I want you guys to see if you like working with me! (Spoiler alert: you will) I love to play and work and I will run your lines as many times as you want. In person or virtual, also down to help for (chill) commercial auditions. ALSO happy to give voiceover notes and work through those. All prices can be worked out, depending on what you wanna do. Hit me up!

The main image of the post shows a woman with long braids wearing a grey knit sweater, sitting on a lawn. A small, light-colored dog is sitting next to her, looking towards the camera. The background shows a residential street with houses and parked cars under a clear sky.

Niccole has been giving me booty and leg rubs since I have bad knees. Well...she says she's doing it because I have bad knees, but today when she put her hand on me she said "lemme touch that big ol' juicy butt **" so now I don't know what's happening but it feels nice so whatever man.

After DOI. Replying to @clarlam_ if you aren't contributing more to the convo it isn't! In this example it's more just like....hearing while I yap. Jahahaah.

The screenshot shows a TikTok video player on the left and a comment section on the right. The video features a woman with her hands clasped, with the text "asking deeper questions and communicating that you've been heard" overlaid. A comment bubble above her says "... but that's not active listening?". The right side shows the creator's profile, a "Follow" button, and a comment thread with three replies.

niccoleturman • Overnight trip to Newport with The 88 Show! I swear other people were there with me lol. We stayed at this Shining-adjacent mid century modern hotel so I tried to capture some of the spooky (but totally cute) sights 🍷 🌿 ✨ love a day trip LOVE a free hotel, Izzy loves a balcony. We had a great time. Last two slides are some of the first couple things I saw on blue sky that made me say "what the hell did I sign up for" anyway follow me on there I may or may not post 😊 😊 😊

Omggggg ok I signed up for this adult orchestra like months ago and kept nailing bc I was too nervous. Haven't played since high school (I was good tho, not even gonna front. First chair baby lol) anyway I got an email the other day saying this one was coming up and yall I almost cancelled like 3 times but I just dragged my scared ass there and did it! Some of the songs were hard, I might practice first next time. Maybe lol. But omg SOOOOO fun to play music with people again! Some people were amazing! Some were terrible! And that made it awesome! I sat next to a father and son! The dad had just started two years ago and he and his son who is semi pro do it together. I mean come on. Fucking cool. I love music ok bye.
