My Inspiration
Her Birthday 11.20.16

We had so many questions, there was only answer.. days later...."your Mom opened her eyes". Our "Baby Girl" awoke from a 2nd aneurysm. Honestly some days NOTHING ELSE MATTERS to ME, our lives were forever changed.

Received Given

Chris N.
SaaS Trainer | Technical Program Developer | Client Onboarding Specialist | CRM & Software Implementation Expert | Proven Leader in Training and Technology Solutions
June 20, 2022: Chris reported directly to Kina

Kina served as my supervisor when I first started in telecom at Lumen. Early on in my tenure, I needed to take some time off for training in volunteer work I do at my congregation. Kina was very understanding and appreciated the nature of my request. She was very helpful in guiding me thru the process to request the time off, even though I was so new. This is just an example of the support I received while working under Kina's leadership.

She has a strong ability to build relationships with her team and get work done in a professional manner, while still being light-hearted and allowing people to feel comfortable being themselves. Part of her approach...see more

Mark Hibbs
Customer Success Advocate at Lumen Technologies
June 1, 2022: Kina was senior to Mark but didn't manage Mark directly

During the time I worked with Kina, I watched her excel in multiple positions as she moved up within the organization – in a very short amount of time, might I add. Kina is a dedicated and reliable leader with a strong sense of integrity and ownership as well as a keen focus on business impact and product knowledge. She has an infectious, positive attitude and invests heavily in building and maintaining relationships. A strong proponent of coaching and mentoring, Kina empowers her team to make effective decisions and actively encourages them to identify and pursue improvement opportunities. Kina's management style includes the utmost respect and admiration for her team. If Kina is ever involved with anything I'm trying to achieve, I know I'm in good hands.

My Mom's Brother & Sisters bi-Annual Reunion Alabama Edition

🌞 What an incredible day we had in sunny Montgomery, Alabama, reuniting with my beautiful family for a memorable Siblings Reunion 🧡💙💜💚💛

From fishing and playing games to sharing laughter and creating lifelong memories, it was is absolute joy to be surrounded by my loving uncles, aunts, and cousins. 🎣🐟 The bonds we share were reignited, and the love and warmth were truly unmatched!

And let's talk about the food! 🍔 My Uncle Ron is a #GRILLMASTER!

But above all, it was the fellowship that made this reunion so special. The heartfelt conversations, the laughter that echoed through the air, and the genuine connections that were strengthened—it reminded us of the importance of family and the blessings we have in one another. 🧡💙

As the sun set on this perfect day, we couldn't help but feel grateful for this cherished time together.

Family truly is everything, and moments like these are the ones we'll treasure forever. 🧡💙

Now as we prepare for tonight's Banquet God continue to provide your Grace and Mercy over each of Us 🙏💙💚💜💛💙💚

Thank God Pastor Oliver's sermon was heavy on TSA, being transparent, parallel, & being public with our walk and faith in God!

I just got home after a very long night/early morning in the ATL airport, Pastor my Clear nor TSA PreCheck helped 🙏

Sadly I was in same fiasco last weekend in NYC and DC!

...back to my Family ❤️💙💚💜💖 We closed out the weekend at our home church [First Missionary Baptist Church of Whitehall](#) of Whitehall with and abundance of Fellowship!

Thank You to Paulette & Kitha for joining me. They didn't know how much I needed their support as it's ALWAYS an emotional visit knowing my Mom's final resting place is there but her zest and zeal for Life will forever shine and live through me 🙏💚

What a wonderful weekend Tillie & Ron!

Embracing Community

A Tale of Resilience and Renewal in
Downtown #FortMyers #Florida

As I walked through the streets of downtown Fort Myers,
I couldn't help but be struck by the spirit of resilience
that permeates this vibrant community. With a
population of 96,000 people, this city has weathered its
fair share of storms, both literal and metaphorical. But
amidst the challenges, there is always hope, and a
determination to rebuild #stronger than before.

In recent days, I had the privilege of witnessing a
remarkable sight—a scene of progress and renewal
unfolding before my eyes. The hurricane-stricken docks,
once a symbol of devastation, were now a hive of activity,
with a crane nestled on a barge, gently moving
abandoned sailboats, yachts, and vessels of all sizes. It
was a moment that filled me with awe and gratitude—a
reminder of the resilience of the human spirit and the
power of #community coming together.

As I stood among fellow onlookers, there was a palpable
sense of camaraderie in the air. We shared smiles and
nods, silently acknowledging the progress being made,
but also recognizing the challenges that lie ahead. It was
a moment of #unity, a reminder that we are all in this
together, bound by our shared humanity.

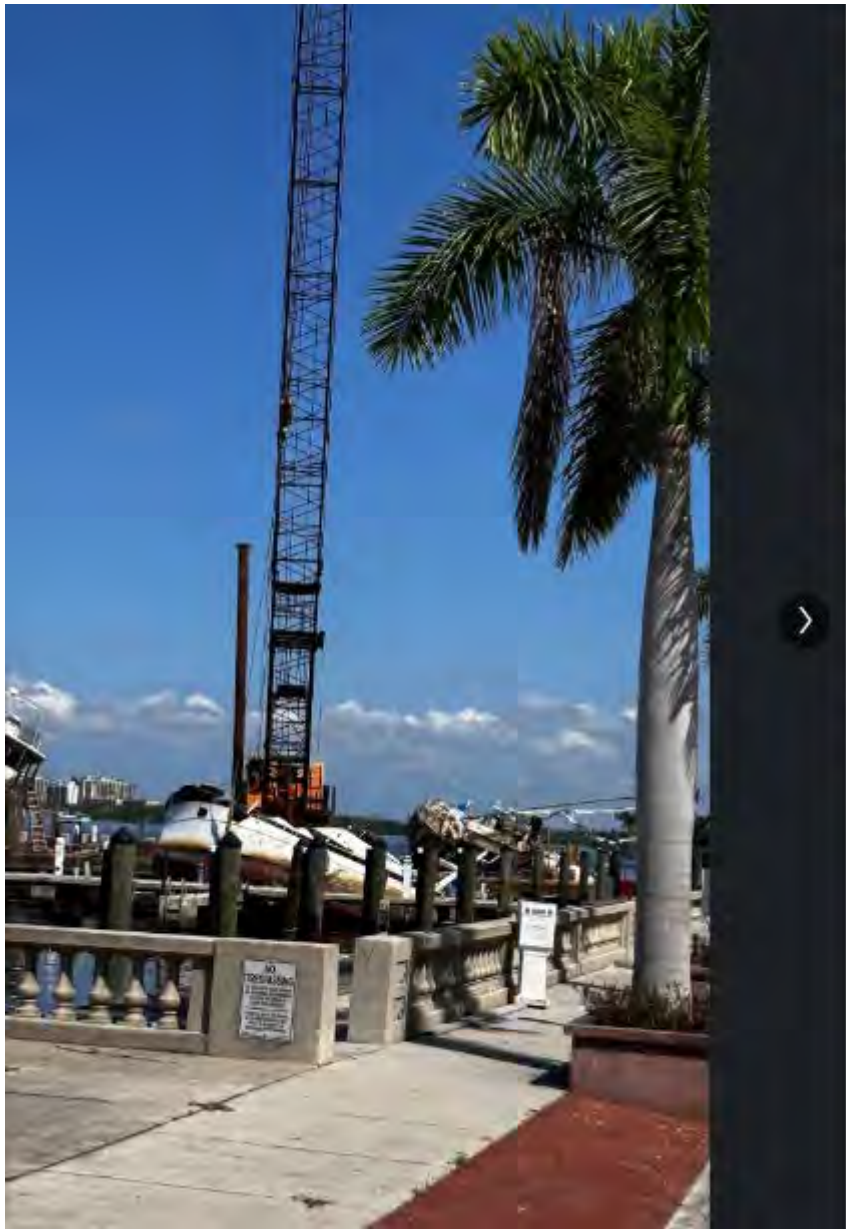

In moments like these, it's important to show #grace
and #compassion, to extend a helping hand to those in
need, and to celebrate the small victories along the way.
As someone who comes to this area for work, but also
feels a personal responsibility to connect with the
residents on a deeper level, I believe in leading with
empathy and understanding.

Quantum Fiber is proud to be a part of this community,
offering our support and services to the residents
of #FortMyers. In times of need, we stand ready to lend a
helping hand, providing reliable fiber-optic connectivity
that empowers #residents and #smallbusinesses alike.

#Together, let us continue to embrace the spirit of
resilience, renewal, and community that defines Fort
Myers. Together, we can build a brighter future for all.

🙏 **Rest in Heavenly Peace, Pops** 🙏

SMSgt Timothy "Tim" Taylor 🇺🇸👤

Pops transitioned from this earthly home yesterday, and while our hearts are heavy, we are filled with immense gratitude and love for the incredible man he was.

There are no words in the dictionary, no hallmark card, nor Facebook post that can fully express the Gratitude, Grace, and Stewardship you showed to our family. You stepped in and filled the void, supporting and loving our Mom with endless dedication. For that, we are eternally grateful.

A special thank you to our youngest sister, who lovingly cared for Pops until his final breath. We pray for your strength and comfort during this difficult time.

Your legacy of love and service will forever live in our hearts. We love you to life, Pops. Rest in peace.

"Tonight on the Harriet II, I ran into one of my mom's favorite people—such a special moment! My mom, has a way of making everyone feel loved, and it was heartwarming to see that same love reflected when this young lady and her husband walked up the stairs on the boat.
The instant connection we felt spoke volumes about how much my mom means to everyone who knows her.
Moments like this remind me of the deep bonds she's created and how much love she's spread over the years."

👍👍👍 "LemonadeOutOfLemons" 🍋🍋🍋

I'm incredibly proud of our Quantum Fiber Sales Team and Technicians who bring their expertise, patience, and experience to the table every single day.

In Southwest Florida, where the weather can be as unpredictable as it is treacherous, our #Team doesn't just face challenges—they #CONQUER them. Whether it's navigating through a light drizzle or dealing with relentless storms, these pros are always ready to get the job done on a dime.

This week, I've had my share of turning #lemonsintolemonade, and it's reminded me just how important it is to focus on the SMALL WINS that lead to those huge results. 📊 In this career, staying focused, adapting to challenges, and celebrating each success—no matter how small—are key to achieving #SMILES and #GRATIFICATION at the end of the day. I'm deeply grateful for a #leadership team and peers who embody this mindset, supporting one another every step of the way.

Our ultra-fast internet is making a significant difference in Southwest Florida, thanks to the dedication of the individuals behind the scenes and our frontline employees who bring it all together.

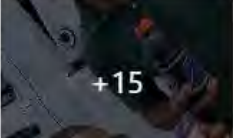

🔒 Reliable and Undeniable: Our Quantum Fiber network delivers ultra-fast internet that keeps Southwest Florida connected, even in the toughest conditions. 📶🍋

🤝 Gratitude and Teamwork: It's the small wins, the incredible teamwork, and the unwavering focus on excellence that drive our success every day. 🍋🍋🍋

📸📸📸 As always check out the photos of our Teams in Action during Neighborhood Takeovers, Surprise & Delights for Technicians, Sales Meeting, & more!

🌟💜 Shoutout to the Southwest Florida #Quantum #Fiber #Sales #Teams! 💜🌟

As a #MarketingDevelopmentManager, I have the privilege of working with many incredible teams, and this one truly stands out.

Our Residential and Business Sales Team has led the way month over month with top sellers, and it's all thanks to their hard work, dedication, and flexibility. They are a group of ***Rockstars** who are always ready to pivot on a dime, support field events, and tackle every challenge that comes their way! 🙌

What sets them apart is their ability to work together with one common goal: to be #BestInClass . Whether it's smashing sales targets or ensuring flawless execution at events, this team brings their A-Game every single day. 🌟

A huge recognition goes to their amazing leader, Deareo Dorisca, who has right at two decades of experience with Lumen Technologies . Deareo's guidance and #leadership are truly unmatched, and it's clear that this team thrives under such seasoned leadership. 🙌

Southwest Florida Quantum Fiber Sales Team—you all inspire Us every day! Let's keep pushing boundaries and setting the bar higher! 🙌

"Terrific Tuesday"

Excited to share how [#impactful](#) local Chamber events can be for building strong connections within the [#community](#)!

On last week, myself along with [Quantum Fiber](#) [#Residential](#) [#Field](#) [#Sales](#) Reps, [Donald HD](#) and [Paul Harper](#) had the privilege of attending the [Greater Fort Myers Chamber of Commerce](#) September [#Luncheon](#) at The Plantation Golf & Country Club.

This event provided an incredible [#opportunity](#) for our [#team](#) to engage with local business leaders who happen to be residents of [#FortMyers](#) and the surrounding areas. The [#connections](#) made during the luncheon were invaluable, and it's clear that events like these open doors in ways we never anticipated.

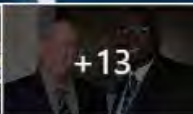

At [Lumen Technologies](#) we believe in fostering meaningful [#relationships](#), and individuals like Paul, Donald, & their Peers are ready to be your go-to for Residential [#fiber](#) services as well as [#Chamber](#) and [#Community](#) [#Events](#).

We're all about making [#connections](#) that matter! Thanks for reading this article week's "Terrific Tuesday" 🍷 📸

Our Residential Sales Team is fully committed to driving brand awareness for Quantum Fiber Internet

In September, we took to the streets of #CapeCoral for our Neighborhood Takeovers, going door-to-door and connecting directly with residents. With partnerships like Domi Italian Ice and mobile billboard advertising, we made these interactions engaging and memorable.

What sets our #Team apart is how naturally they connect with the #community—it's never about a typical sales pitch but truly valuing the need for ultra-fast, reliable fiber internet.

Seattle Seahawks Opener

What an unforgettable experience at #LumenField for the season opener as the #SeattleSeahawks took on the #DenverBroncos 🏈💙

Walking around the stadium filled me with immense pride as a Lumen Technologies employee. From the food liners and cups branded with Lumen to digital stations guiding fans through the stadium, every corner was a reminder of the incredible impact our company has.

Seeing the stadium through the eyes of a #MarketingManager, it was clear—we left no stone unturned! The presence of our Quantum Fiber #brand was everywhere, representing the power of #ultrafast #internet that connects #communities and brings people together. Photos can only capture so much, but the energy in that stadium? That's something you have to experience to believe! 🙌

What really stood out was meeting my Seattle peers in their element. They brought the #gamedayexperience to life with interactive #digital stations that allowed kids—and adults, who got to feel like kids again, to compete in a fun, virtual environment. It was amazing to witness our team using cutting-edge technology to enhance the #fanexperience.

A special shoutout to Jane N. for picking me up from the airport—it was fantastic to finally transition from a virtual connection to meeting everyone in person! Seeing our #LumenHumans in action, and the way we #integrate #tech and #fiber optic services into such a dynamic event, was truly inspiring. It's a reminder that our work doesn't just serve, it 🙌 elevates 🙌 experiences.

On top of that, my schedule is flexible enough that when I realized the game wasn't sold out, I could book a red-eye flight with no problem! That's the benefit of working for such a supportive company, work-life balance is key, although it was on the weekend 🙌💙💙💙💙

At #Lumen, we don't just offer ultrafast fiber optic services—we're shaping the future of #connectivity. Being part of this #team makes me incredibly proud, and this visit to Lumen Field was a shining example of how we bring people together, even rivals on game day! 🙌💙💙💙💙

I'm sharing #photos that captured some moments, but trust me, they don't do #justice to the #electric atmosphere! I'm already looking forward to the next opportunity to experience this again.

#HurricaneHelene ☐ Ft Myers Florida A Look at assessment Efforts in Downtown Fort Myers ☐☐☐ In just 24 hours, downtown hashtag#FortMyers is showing signs of recovery after hashtag#HurricaneHelene brought heavy rains and flood levels up to 5+ feet across downtown. Now that the post hashtag#flood accessment has begun, hashtag#Quantum trucks are on the move alongside City crews, Business owners, and the Police department. My Observations of Post hashtag#Helene Efforts: ☐ Lumen Technologies Employee Safety: From the announcement of hashtag#HurricaneHelene, hashtag#Lumen has made employee well-being a hashtag#priority. #HurricaneHelene Ft Myers Florida

A Look at assessment Efforts in Downtown Fort Myers 🤝💙💜

In just 24 hours, downtown #FortMyers is showing signs of recovery after #HurricaneHelene brought heavy rains and flood levels up to 3+ feet across downtown. It's been a tough hit not only for our SWFL but for the entire state of #Florida, from the Panhandle to the Florida Keys.

As I sit here looking out my hotel window, I'm #proud to see our Quantum Fiber 💙 field team already out in action.

Now that the post #flood assessment has begun, #Quantum trucks are on the move alongside City crews, Business owners, and the Police department. We're all working toward one goal—accessing affected areas and getting back to a sense of normalcy.

My Observations of Post #Helene Efforts:

💜 Lumen Technologies Employee Safety: From the announcement of #HurricaneHelene, #Lumen has made employee well-being a #priority. We're checking in with all teams to ensure it's safe for everyone to return home or move about safely in the affected areas.

💜 Quantum Fiber Field Techs: Ensuring that downtown Fort Myers and Southwest Florida have #ultrafast #Quantum service and support.

💜 City Services: The Downtown Fort Myers Trolley is now up and running, helping those who need to get to and from work.

These efforts remind us how #strong the #community is and how committed #Lumen is to being proactive and helping our business and residential clients get back on their feet.

Stay safe, everyone, as #Helene leaves Florida and heads north with heavy rain and wind speeds up to 30mph 🌪️

💜 Painting Sanibel Purple 💜

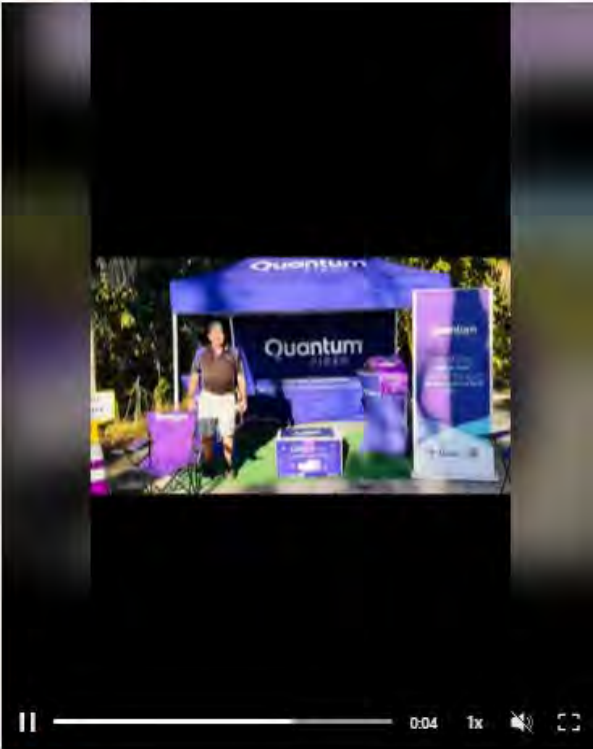

In the days after hurricane Helene our Quantum Fiber Team distributed 100 cases of water to the residents of [#SanibelIsland](#), a newly fiber-lit area that warmly welcomed us into their community.

Our partnership with the nonprofit organization [FISH OF SANCAP](#), known for their local food pantry and furniture distribution center, made the event even more impactful.

A big thank you to our Cape Coral Technician, Jim, for helping with the setup, and a special shoutout to Director [Sanja Hartfield, MBA PMP](#) additionally, CYDCOR sales rep Mike Simmons did a fantastic job checking over 10 addresses for service.

Our SWFL Team has much more to follow up on in Sanibel – way to assist in post hurricane relief for the residents of Sanibel!

Honored to have been part of an insightful panel discussion today at our Employee Resource Group Summit 2024, focusing on the transformative power of LinkedIn for career and professional growth. Joining me were industry leaders Evan Walker, Tzeitel Buchanan, and Mollie Shealy, each contributing unique perspectives to enrich the conversation: □ Evan emphasized the importance of consistent personal branding on LinkedIn. He shared that leveraging authentic content has allowed him to build trust and credibility, positioning himself as a thought leader in his field. □ Kina highlighted how LinkedIn has facilitated connections that transcend roles and regions, enabling access to senior leadership insights and real-time industry trends. I noted how it's been a platform for showcasing team achievements and driving engagement within our professional network. □ Tzeitel brought valuable insights on LinkedIn's power for mentorship and talent development. She underscored how it bridges the gap between leaders and up-and-coming talent, fostering an inclusive culture of growth and shared knowledge. □ Mollie focused on the value LinkedIn offers for building a resilient professional network. She spoke about the opportunities it provides to align with peers, stay informed on industry best practices, and create partnerships that spark innovation. This discussion was not only a testament to the impact of LinkedIn but also a reminder of what a privilege it is to be a Lumen Technologies employee and part of such a meaningful panel. Each of these perspectives underscores LinkedIn's pivotal role as more than just a networking tool—it's a platform for growth, influence, and impact. I'm truly grateful to have been approached to share my experience and collaborate with such inspiring peers. "Add more Living to Your Life" ❤️🙏

The goodness of God is beyond measure, and His faithfulness never fails. I've learned that doing my best to live with integrity, treating people right, and helping others—whether financially, through gift or simply with kindness—always pays off. I don't do these things to gain anything in return; I do them because it's the right thing to do. God thank you for the handful that have blessed me in return ❤️🙏

God has shown me time and again that staying faithful, being fair, and remaining humble leads to blessings beyond what I could imagine. Like cream, those who honor God rise to the top. And just like an eagle soars above the storms, He's given me the strength to rise above challenges.

Lord, I thank You for every open door, every provision, and every moment of peace You've given me. I'm not perfect, but I strive to do right by others, to make a difference, and to lead with love. Thank You for rewarding integrity and showing me that goodness and grace go hand in hand.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." — Galatians 6:9 🙏❤️

Gratitude. Humility. Service. STEM

Some of life's greatest blessings come when you freely give your time to serve others. Volunteering not only impacts the community but enriches your life in ways no paycheck ever could. It allows us to connect, build meaningful relationships, and live out the values of compassion and generosity.

I am incredibly grateful to have been raised by three loving parents who taught me the power of giving back. They showed me that the most opportune times to serve often come when you're not "on the clock" but driven by a heart for helping others. Their example shaped who I am today and continues to inspire how I show up for my community.

Last week I had the privilege of participating in the kickoff of **Lumen Technologies'** MLK Day of Service by volunteering alongside an incredible organization-**Tampa Bay Buccaneers Foundation**, **Ciena**, and our very own **Luminaries**. This event wasn't just a moment to serve—it was a reminder of how collective efforts can create lasting change.

Serving others is a calling I cherish. Whether big or small, every act of service matters. I encourage everyone to find those opportunities to volunteer whenever possible—you never know how much of an impact it will have, both on others and on yourself.

Special Thank You to **Tzeitel Buchanan** and others who made this event unforgettable and to all those who continue to inspire through service.

Some of life's greatest blessings come when you freely give your time to serve others. Volunteering not only impacts the community but enriches your life in ways no paycheck ever could. It allows us to connect, build meaningful relationships, and live out the values of compassion and generosity.

Tonight's [City of Kissimmee](#) Black History Reception was a beautiful celebration of [#heritage](#), [#unity](#), and [#community](#) impact.

I had the privilege of meeting incredible leaders, including a local NAACP leader and inspiring women who are dedicated to making a difference. As the night came to a close, we exchanged contacts and committed to supporting each other in future community events.

Black history is more than a month—it's a legacy. Events like this remind us of the importance of honoring our past, fostering community, and inspiring the future.

"Flourish Cultivate Empower"

This year's Women's Brunch hosted by Rejoice in the Lord Ministries (Pastor & First Lady Zak) Women Ministry Team - was a celebration of heritage, sisterhood, and the power of meaningful relationships.

Our phenomenal speaker once again delivered invaluable insights on promoting, protecting, and supporting women's mental health and well-being. From thought-provoking discussions to embracing our rich culture, we gathered in unity to uplift one another. Together, we continue to grow, support, and inspire. Honestly, I wish this event could be held quarterly—just my selfish thoughts! Until next year, let's keep flourishing! [Brittani Johnson](#) Thank You for the standing invitation yearly! 🙏❤️❤️

Is that time of year again 🍷

This is my third year attending the African-American Chamber Eagle Awards where small businesses are recognized for their outstanding contributions in the Central Florida community. These businesses drive economic growth, creating jobs and innovation, while overcoming numerous obstacles and uncertainty, with perseverance, resilience and an unwavering commitment to give back. A testament that it's our own uniqueness, gifts and talents shared, that complements the whole and make us rise and succeed together. Thankful for this experience and the friends I get to share this night with as my "plus one" 🥰🥰🥰🥰

It's Congressman Maxwell Alejandro Frost. I've got some good news! Thanks to years of fighting, starting Summer 2027, you'll be able to apply for your passport in-person at Orlando's brand new Passport Office!

This is a game changer for Central and North Floridians who are unable to make the drive all the way to Miami to get passport help! Folks in need of assistance with their passports or with any federal agency can reach out to my office and learn more at <https://repfrost.us/passport>

🌟 Happy Hump Day, LinkedIn! 🌟

Do you believe that 🌟 visibility is the bridge between where you are today and the success you're striving for?

In my opinion, this platform was designed for professional connection and growth—so if this resonates with you, I'd love for you to share it with your network.

📌 Let's engage

📌 Let's get active

📌 Let's keep inspiring

📸 Snapped this on my way to City Council and Neighborhood Watch 🗣️ meetings once I became a resident in Polk County—proof that visibility and engagement begin at the local level.

Sometimes the most powerful stories are the simple ones. What's one small moment from this week you're grateful for?

🎨 I'll go first, an impromptu "Paint & Smoothie Night" with my courageous, thoughtful, and creative Sister Dee Tate 🎨🌟🌈 not to mention these Picassos will be given to our grandsons 💖💙💜👉

I probably needed therapy after losing my mom on Mother's Day 2019 ☹️ but what I found was healing in new experiences ☺️ ☺️ From a trolley ride in San Francisco ☺️ to the Golden Gate Bridge ☺️, a 10-course meal ☺️, wine tasting in Napa ☺️, and my first mud bath Spa Day ☺️ ☺️ Best decision ever. #SelfCare #TravelTok #WineNot #HealingJourney #NapaValley
