Photos at a restaurant in New Orleans. Shares a photo of Subject (white sweatshirt) with friends. For my BIRTHDAY Dinner I wanted to dine at the historic Dooky Chase's Restaurant. I had the honor of meeting the current owner Mrs Leah Chase the daughter of Mrs. Leah Chase. The restaurant, built in 1941, was the one place where people of color could dine out freely during a time when Blacks and Whites were segregated. It was owned by Emily and Edgar "Dooky" Chase, but gained fame and popularity once their daughter, Leah Chase, came in and started running the business.

Post by Subject about having had a surgery. I would like to thank my family, friends, and others who called, texted, fasted, prayed, and gave me words of encouragement while I underwent spinal cord surgery today. Your thoughtfulness means a lot to me and I will forever be grateful. To God be the glory, amen

Upon arrival, the front desk staff was friendly and professional. The dentist, I don't remember her name was nice; explained a lot of things to me and understood my concerns. However, the hygienist was not my cup of tea.

America's Best Contacts & Eyeglasses
2866 Chapel Hill Rd, Douglasville, GA 30135

★☆☆☆☆

a year ago

Sean handed me my new glasses with a card to read and walked away. After sitting there for a few waiting on Sean, I asked what was going on. I was told you done. No one checked the fit or cared if I had any concerns about my new glasses.

Just poor customer service!

They were very professional, fair with the pricing and very patient with me.

He answered all of my questions before, during and after the installation of the unit. I highly recommend this company. [More](#)
