Prior to DOI, post from Decedent with location tagged as Clayton Park Mobile Park Translation: LIFE IS TO BE TAKEN AS IT COMES, BECAUSE IN ANY CASE IT IS MORE THAN ONE. THE ONE WHO LOVES YOU, LET THEM LOVE IT AND THE ONE WHO DON'T, WELL, LET THEM DO WELL BUT LET THEM BE MAN ENOUGH SO THAT THEY ARE NOT FUCKING YOU AROUND. LIFE IS OVER AND IT IS OVER AND THE ONE WHO KEEPS GOING BECAUSE THERE IS NO TIME TO WASTE, HE IS THE ONE WHO HAS THE LEAST TO WASTE IT ON PEOPLE SO STUPID THAT THEY DON'T EVEN FIND OUT BUT OH WELL YOU HAVE TO ENTERTAIN PEOPLE WITH SOMETHING. I KNOW WITH THE IDIOTS WHO GIVE THE LAST COKE IN THE DEAD.

August 23, 2021 · 🌐

Dios Xk Ami aveses no entiendo Xk me pasan tantas cosas ase 3 años me dio esta gripe según yo y nada q esa se convirtió en broncomonia dures 3 meses imedio neobulisanome es un enfado primero cada 2 hora después cada 4 horas ay estaba conectada a ese aparato cada rato y en un abrir y serrar los ojos seré va la vida si no ubiera sido x el chary to estaría Contando esto q gracias a dios supo q aser con migo de un derepente dejó de respirar y x mas q asia el esfuerzo de respirar no podía yo acostada en la cama y el chary se acababa de meter al baño no sé cómo se daría cuenta q yo no podía respirar y sale corriendo del baño y yo ya desesperada x no poder agarrar aire solo me pare de la cama y con señas Xk no podía hablar tampoco le apunte ala ventana para q la abriera según yo agarrar aire pero fue la misma no pude y donde el me miraba desesperada me sentaba en la cama y yo me paraba y me volvía a senta y ya solo me quedé trankila mirándole ala cara Xk yo ya no podía escuchar solo según lo miraba y aló le escuchaba yo Sonia respira por la boca x la nariz no y otra vez Sonia respira x la Boca x la nariz no y agarra aire x la boca pero despacito y si lo ise y volví a respirar gracias a él q entodo momento me cuida auq yó sea muy culera con el tenía como 10 minutos q ya me estaba conpiniendo me aoge con mi saliva pues otravez no pude respirar pero fue más poco Xk ya savia x donde respirar desde entonses no puedo comer agusto Xk estoy con el temor q me pase lo mismo y desde entonses no me dava esto broncomonia asta el jueves q salí a un mandado y me agarró la lluvia y pues aki estoy otra es con esa cosa lo único q ahora el chary no está para q me salve odio esto en la madrugada no podía respirar y pues me acordé lo q devo de aser Xk mi Salvador no está aki dios mío ya suéltame un Pokito la sogá q ya no miro la mía cuando me va ir BN dios

God Xk Ami aveses do not understand Xk me so many things happen ase 3 years gave me this flu according to me and nothing that became broncomonia hard 3 months imedio neobulisanome is an angry first every 2 hours after every 4 hours ay was connected to that device every time and in a blink and eyes I'll be going life if it wasn't x the chary to be counting this q thank God knew q aser with me of a derepent stopped breathing and x more q asia the effort to breathe not could I lie in bed and the chary had just gotten into the bathroom I do not know how he would realize that I could not breathe and runs out of the bathroom and I already desperate x can not grab air just stop me from the bed and with xk signals I could not speak nor pointed the window wing to open it according to me grab air but it was the same I could not and where he looked at me desperate I sat in bed and I stopped and sat back and I just stayed calm looking at the wing face Xk I could no longer hear just as I looked at and hello I was listening Sonia breathes through the mouth x the nose not and again Sonia breathes x the mouth x nose not and grabs air x the mouth but despacito and if so and I came back to breathe thanks to him q ent every moment I take care of auq I'm very culera with him I had about 10 minutes q I was already conpining me aoge with my saliva because again I could not breathe but it was more little xk already savia x where to breathe from entonses no I can eat agusto Xk I'm with the fear that happens to me the same and since entonses did not give me this broncomonia until Thursday I went out to a mandate and caught the rain and therefore aki I'm another is with that thing the only thing q now the chary no this is to save me hate this in the morning could not breathe and therefore I remembered what I must to aser Xk my Savior is not here my God and release me a Pokito rope q no longer look at mine when I'm going to go BN God

Soy la que extraña a los que ama y la que olvida a quienes la olvidaron, la que se rompió como un cristal cuando la vida le dio de lleno la peor pedrada.
Soy la que no sabe de rencores, la que se enoja fácil y se desenoja más fácil pero no pierde la memoria. La que se preocupa por todos porque todos los suyos son un pedazo de sí misma.
Soy la lluvia calma cuando las ausencias inundan los ojos y también soy la tormenta que se puede desatar en un suspiro.
Soy la que ama, más allá de ella misma sin importar cuanto amor hay del otro lado de la acera pero que está aprendiendo a distinguir quien sí, quien no. La que ve más allá de las máscaras por mucho que se quieran disfrazar.
Soy la que la vida forjó a fuego y golpes como el acero de las espadas. Soy la que sostienen las raíces aunque le hayan nacido alas.
Soy la noche con sus secretos y el día con su luz, el invierno que da paso a su primavera porque la vida no es un invierno eterno y aunque no queramos verlas llegarán las flores.
Soy quienes me amaron y quienes no lo hicieron, quienes me tendieron la mano cuando no lo esperaba y la mano que nunca llegó pero creí que estaría ahí para mí cuando la necesitara.
Soy fiel a lo que siento, a lo que vivo, a las emociones que corren por mis venas.
No soy lo que todos quieren, ni lo que todos esperan... soy la que pocos conocen y menos comprenden.

I am the one who misses those she loves and forgets those who forgot her, the one who broke like a glass when life gave her the worst stone.
I'm the one who doesn't hold grudges, the one who gets angry easily and gets angry easily but doesn't lose memory. The one who cares about everyone because all hers are a piece of herself.
I am the calm rain when absences flood the eyes and I am also the storm that can be unleashed in a sigh.
I'm the one who loves, beyond herself no matter how much love there is on the other side of the sidewalk but who is learning to distinguish who does, who doesn't. The one who sees beyond the masks no matter how much they want to disguise.
I am the one life forged with fire and blows like the steel of swords. I'm the one who hold the roots even though wings are born.
I am the night with its secrets and the day with its light, the winter that gives way to its spring because life is not an eternal winter and even though we do not want to see them the flowers will arrive.
I'm the ones who loved me and the ones who didn't, the ones who reached out when I least expected it and the hand that never reached but believed would be there for me when I needed it.
I am true to what I feel, to what I live, to the emotions that run through my veins.
I'm not what everyone wants, nor what everyone expects.. I am the one that few know and the least understand.

Debes seguir adelante.
Agradecer y recordar.
Sacudir el polvo...secar las lágrimas y salir en busca de tu sonrisa. No hace falta que olvides...pero tampoco debes aferrarte al pasado y a lo que pudo ser.
Debes aprender de lo que fue...concentrarte en lo que es y en lo que puede llegar a ser. Porque llegarás tan lejos como te lo propongas y volarás tan alto como te atrevas....."
* Emiliano Sánchez *

You have to keep going.
Give thanks and remember.
Shake Off The Dust.... dry your tears and go out in search of your smile. You don't have to forget... but you also shouldn't cling to the past and what could have been.
You must learn from what it was... focus on what is and what can be. Because you'll go as far as you mean and fly as high as you dare....."
* Emiliano Sanchez *

Te rompieron el corazón más de una vez, pero tú siempre estás en un nivel más allá de lo extraordinario, porque sigues de buena, huyeron de tu lado, al conocer tu desastre, sin conocer lo hermoso de tu Edén, te engañaste por algo que sabías que no valía la pena, pero así seguiste intacta, estuviste en ruinas, fue duro, pero nada te detuvo, siempre fuiste esa guerrera durante el día y todo un monumento por las noches, no todos tienen tu infinito corazón, aprende a querer sola, solita, el tiempo pasará, y verás que siempre brillaste con o sin compañía, no cualquiera está con una loca tan exquisita como tú, tan atípica, romántica, fría por ratos, pero todo un amor siempre, te ves hermosa cuando brillas y hasta cuando te pones en modo "Off". Siempre serás un libro de poesía sin término. Siempre serás tú y nadie más te amará tan bonito como tú. ❤️

Autor: José Rendich/El Poeta.
Editado por: Un Poeta Risueño.

They broke your heart more than once, but you are always on a level beyond the extraordinary, because you are still good, they ran from your side, knowing your disaster, not knowing the beautiful of your Eden, you fooled yourself for something you knew it wasn't worth it, but so you remained intact, you were in ruins, it was hard, but nothing stopped you, you were always that warrior during the day and a whole monument for the nights, not everyone has your infinite heart, learn to love alone, alone, time will pass, and you will see that you always shone with or without company, not everyone is with a crazy as exquisite as you, so atypical, romantic, cold at times, but all one love always, you look beautiful when you shine and even when you put on "Off" mode. You will always be a book of poetry with no end. You will always be you and no one else will love you as beautiful as you do. ❤️

Author: José Rendich/The Poet.

Planes de futuro que quedan en la nada, esperanzas vacías y silencios que lo dicen todo.

Me niego a pensar en lo que pasó, huyo del momento donde deba pararme y admitir que toda mi vida se ha derrumbado.

Quizás por cobarde no quiero enfrentarme al ahora, quizás estoy demasiado cansada, quizás simplemente son excusas.

Lo tenía todo, aunque ese todo me costará la salud mantenedlo y ahora no tengo nada, solo me queda un vacío que se va agrandando al recordar lo tonta que fui al no ver cómo me utilizaban y traicionaban, fui un juguete del que se cansaron de jugar con él y lo tiraron después de romperlo.

No quiero que me construyan, tengo miedo que se acerquen a mí, pero tampoco quiero estar sola y esa lucha me está matando.

Me duele mirar atrás...

El Silencio es morir por dentro

Magda Ac ❤️

Future plans that are left in nothingness, empty hopes and silences that say it all.

I refuse to think about what happened, I run away from the moment where I must stop and admit that my whole life has fallen apart.

Maybe because of cowardly I don't want to face the now, maybe I'm too tired, maybe they're just excuses.

I had it all, although that all will cost me health keep it and now I have nothing, I only have a vacuum that is expanding to remember how stupid I was not seeing how I was used and betrayed, I was a toy that got tired of playing with it and they threw it away after breaking it.

I don't want to be built, I'm afraid that they'll come close to me, but I also don't wanna be alone and that fight is killing me.

It hurts me to look back...

Silence is dying inside

Magda Ac ❤️

Jamás te diste por vencida, te fallaron pero eso no te mató, te mintieron hasta con besos baratos, pero te superaste y fuiste tan fuerte para no volver a caer, ni la tormenta te vence ni el volcán te quema, tú eres dos en uno, estás llena de espinas, pero nada te quita la ilusión de tener algo bonito y real, bailas para olvidar el dolor, cantas para sostener el llanto, y lloras para volver a sonreír, te apagaste para brillar, te perdonaste para amar, nadie te ayudó a florecer, nadie te dio la mano viéndote entre las cenizas, te la jugaste muchas veces por personas podrías, pero todo eso te enseñó a amarte, a veces te cuesta decir "Adiós", tanto que te olvidas de lo jodido que fue estar en aquella jaula, te rompiste el alma e hiciste en pedacitos tu bonito corazón, para encajar con personas ordinarias que no estaban a tu medida... Te miro, y no lo creo, eres aquella mujer que te hablas cada noche y te besas cada mañana. Te admiro... ♥️ Autor: José Rendich/El Poeta. Editado por: Un Poeta Risueño. IN THE CARE OF

[Horis A. Ward - Fairview Chapel & Fairview Memorial Gardens](#)

Sonia Yadeli Villegas Cervantes, age 37 of Stockbridge, Georgia, entered into eternal rest on April 30th, 2022.

Sonia was born December 27th, 1984 in Los Mochis Sinaloa, Mexico to Maria Dolores Cervantes Navarrete and Martin Alonso Villegas Verdugo.

Sonia was always so full of life. She loved her family, daughter and grandchildren with everything within her. She cared so much about everyone that came into her life. Sonia loved butterflies so much that her room is full of small butterflies that she put all over her walls. She enjoyed everything she did and she did everything with a smile on her face. Sonia is loved by so many people and her passing leaves a huge hole in all of our hearts.

Sonia was preceded in death by her maternal grandmother, Josefina Navarrete Negrete.

She is survived by her mother, María Dolores Cervantes Navarrete; father, Martin Alonso Villegas Verdugo; stepfather, Fransisco Javier Rios; husband, Luis Rosario Gutierrez Diaz; one daughter, Aylin Elizabeth Gutierrez Villegas; four grandchildren, Anny Monserrat Martinez Gutierrez, Anibal Tadeo Gutierrez Villegas, Mia Daylin Gutierrez Villegas, and Dayleth Martinez Gutierrez; and three sisters, María Cristina Villegas Cervantes, Leidy Martina Villegas Cervantes, and Nora Lleli Villegas Cervantes.

Message to Sonia from her Mother:

Tu eres mi segunda hija, mi segundo corazón. Siempre fuiste una niña alegre y traviesa pero con un corazón grande, que abarcaba a todo el mundo. Siempre preocupada por los demás, tú llegaste aquí para alegrarme la vida, madre como yo siempre te decía por siempre mi amor. Siempre tu me decías ya se ma. Te amo con todo mi corazón mi princesita hermosa.

Message to Sonia from her Daughter:

Le doy gracias por darme la vida y por los momentos que mi dios me la prestó, todos esos años que estubo a mi lado. Me hará mucha falta a mi y a mis hijos. Que nunca la olvidaremos y siempre estará en nuestra mente y corazón. Le echaré mucho de menos porque es el respaldo de mi vida. Yo no se que hare sin la mitad de mi corazón con usted, La extrañaré muchísimo mami. Te amo con todo mi corazón.

A visitation of family and friends will be held for Sonia on Monday, May 9, 2022 from 3:00 PM to 7:00 PM at Horis A. Ward Funeral Home - Fairview Chapel | 376 Fairview Road Stockbridge, Georgia 30281. Madre mexicana muere de varios disparos cuando intentaban robarle el celular

Sonia Yadeli Villegas Cervantes murió al ser atacada cuando ella y un amigo fueron abordados para robarles sus teléfonos. "Esa es la impotencia que le da a uno y el coraje, porque un teléfono no cuesta nada", dijo Francisco Ríos, padrastro de Sonia.

ATLANTA, Georgia - Sonia Yadeli Villegas Cervantes arrived fleeing violence in Mexico less than two years ago. On Saturday, April 30, she was killed in Jonesboro by a group of people who approached her and a friend to steal them. Now his family fears the crime will go unpunished.

I don't want this to go unpunished, I want it to be investigated, to be punished because you can't take a person's life on a phone...That's the helplessness that gives one and courage, because a phone costs nothing, said Francisco Ríos, Sonia's stepfather in an interview with Jensser Morales.

ADVERTISING

The theft that claimed Sonia's life

Sonia was 37 at the time she was attacked at the Clayton Village Mobile Home Park, in a unit located in the 6300 block of Tara Boulevard.

"There were three very young boys and a girl... They were already stealing the cars, so the neighbors in front were the ones who alerted the police and unfortunately Sonia and this boy were outside the door of his *mobile home*," Francis said.

She was outside the house with a friend and Francis suspects Sonia refused to give them her phone.

My stepdaughter didn't want to give them the phone, so apparently one of them got angry and hit her on the cheek, they say that through her mouth and she fell. When she fell it was when the *brunette* shot her. "They didn't tell us to see the body up close," Sonia's stepfather said.

Security in the area

Francis said the area is dangerous and that even during the police investigation, another shooting was recorded.

When the cops were doing their investigation and everything that comes the one who raises all the information heard another gunload to two or three *trailers* from where we were. "Then the police cop ranway wherever he wants and we ran inside a neighbor's trailer from there," he said in an interview.

Univision 34 Atlanta has repeatedly asked Clayton County Police for information on this case. The answer is that there is no further information beyond the initial statement reporting on the shooting.

Let's always seek the shelter of God because Satan seeks our misfortune and perdition of faith. God loves us with eternal and infinite but if we are away from God we do not experience his love, it is necessary to ask God's protection as we are so exposed to danger, misfortune, ask God his help, seek him in the Holy Eucharist, in confession, in communion pray the holy rosary to ask God for his protection since without God in our lives is like a roofless house exposed to all look for it in the reading of his word and there ask us care and protect

Those charges stem from an incident on April 30 at the mobile home park in the 6300 block of Tara Boulevard near Jonesboro. Sonia Villegas-Cervantes had just wrapped up visiting friends just before 1 a.m., her sister said, when she was approached by the armed pair.

"And they hit her, and she fell down and they ended up shooting her," Maria Cristina Villegas-Cervantes said.

The suspects fled the scene before the officers arrived.

It was not immediately known how police were able to track the pair down.

Villegas-Cervantes leaves behind a daughter, four grandchildren and a large extended family.

Investigators said they are withholding the name of the suspects because they are still looking into the pair possibly being connected to other crimes.

The theft that claimed Sonia's life

Sonia was 37 at the time she was attacked at the Clayton Village Mobile Home Park, in a unit located in the 6300 block of Tara Boulevard.

"There were three very young boys and a girl... They were already stealing the cars, so the neighbors in front were the ones who alerted the police and unfortunately Sonia and this boy were outside the door of his *mobile home*," Francis said.

She was outside the house with a friend and Francis suspects Sonia refused to give them her phone.

My stepdaughter didn't want to give them the phone, so apparently one of them got angry and hit her on the cheek, they say that through her mouth and she fell. When she fell it was when the *brunette* shot her. "They didn't tell us to see the body up close," Sonia's stepfather said.

Security in the area

Francis said the area is dangerous and that even during the police investigation, another shooting was recorded.

When the cops were doing their investigation and everything that comes the one who raises all the information heard another gunload to two or three *trailers* from where we were. "Then the police cop ran away wherever he wants and we ran inside a neighbor's trailer from there," he said in an interview.

🥺🥺🥺
Hoy se cumple 1 mes desde que te fuiste.
Hoy hace un mes recibimos esa llamada que nadie quiere recibir nunca.
Hoy, hace un mes, estabas disfrutando de la vida con tus amigos cuando un grupo malvado de personas te quitó la vida.
Hoy hace un mes perdí a mi madre, amiga y una parte de mi corazón.
Te extraño mucho, los días continúan pasando y todavía estoy tan confundido como cuando recibí la noticia por primera vez.
Te amo con todo mi corazón. El dolor de no tenerte aquí con nosotros es increíblemente grande. Sé que estás cuidando a nuestra familia y sé que vivirás por siempre en nuestros corazones. Me siento aquí y recuerdo todos los buenos momentos, pero todavía tengo una herida tan fresca en el corazón que me encuentro llorando. Daría cualquier cosa por volver a hablarte, por volver a verte, por volver a tenerte entre mis brazos y poder decirte que te amo.
[#justiciaparasoniavillegas](#)

🥺🥺🥺
Today marks 1 month since you've been gone.
One month ago today we got that call no one ever wants to get.
Today, one month ago, you were enjoying life with your friends when an evil group of people took your life.
One month ago today I lost my mother, friend and part of my heart.
I miss you so much, the days keep passing by and I'm still as confused as when I first got the news.
I love you with all my heart. The pain of not having you here with us is incredibly great, I know you are watching over our family and I know you will live forever in our hearts. I sit here and remember all the good times, but I still have a wound so fresh in my heart that I find myself crying. I would give anything to talk to you again, to see you again, to hold you in my arms again and to be able to tell you I love you.

Elizabeth Gutierrez is 🥺 feeling down.

June 15, 2022 · 🌐

Como quisiera regresar a ese día 🥺 mil veces pediría regresar a esos momentos donde la pasamos tan felis donde yo no sentia dolor en mi alma donde nada ni nadie nos asia daño donde nos reíamos bastante asta dolernos la panza aun no entiendo por qué tubo que pasar esto 🥺💔
Si usted tenía mucha vida por vivir solo que llegaron esos desgraciados a rebatarte la vida y a arevatarme la felicidad no entiendo por qué le asen tanto daño a las personas más buenas que ay en el mundo 🌐 te extraño tanto ma nunca boy a dejar de agradecerte todo lo que iso por mi y por mis hijos que en las buena y malas siempre estubo con migo y mis hijos era la mamá Sonia perfecta para mi y para ellos y siempre lo será aun no te as ido por que estas en mente y corazon se que nunca nos dejara solos sienpre nos acompañará a donde quiera que ballamso eres la estrella 🌟 y el angel 🥺 mas hermoso que pueda existir en el cielo te mando un abrazo enorme y un beso 🥰 te extrañare toda la vida nunca dejare de amarte 💕 me ases tanta falta 🥺
Te amo ma 🥺💔💔💔

How I would like to return to that day 🥺 a thousand times I would ask to return to those moments where we spent so happy where I did not feel pain in my soul where nothing and no one harmed us where we laughed extensively until our stomach hurts I still do not understand why it had to happen this 💔🥺
If you had a lot of life to live alone that those unfortunate came to beat you life and to steal my happiness I don't understand why you hurt so much to the best people that ay in the world 🌐 I miss you so much ma I will never stop thanking you all that iso for me and my children that in the good and bad was always with me and my children was the perfect mom Sonia for me and for them and will always be still not gone because you are in mind and heart is that never leave us alone sienpre accompany us wherever you want ballamso you are the star 🌟 and the most beautiful angel 🥺 that can exist in heaven I send you a huge hug and a kiss 🥰 I will miss you all my life I will never stop loving you 💕 me aces so much missing 🥺
I love you ma 🥺💔💔💔

Te extraño muchísimo, estoy perdiendo la cabeza. Las ganas que tengo de verte son insoportables. La vida es tan injusta y no te lo merecías. Mañana hace 2 meses desde que falleciste y no se vuelve más fácil, mis emociones están por todas partes. No entiendo cómo le pudo pasar esto a nuestra familia. Triste cómo toda tu vida puede cambiar en un abrir y cerrar de ojos y ya no vuelves a ser la misma persona feliz que eras antes. Solo quiero verte quiero tenerte entre mis brazos y nunca soltarte. Decirte que te amo y extraño esos cachetes tuyos ☹️☹️ Translation: This was the last video you posted on your TikTok on April 29th not knowing that in a few hours your life would be cut short, filmed on April 30th just after 12:00 am. I miss you so much, I'm losing my mind. The desire I have to see you is unbearable. Life is so unfair and you didn't deserve this. Tomorrow marks 2 months since you passed away and it doesn't get any easier, my emotions are all over the place. I don't understand how this could happen to our family. Sad how your whole life can change in the blink of an eye and you're never the same happy person you were before. I just want to see you I want to hold you in my arms and never let go. So be inspired by her and honor her memory.
She always fought for the well-being of her family and you were the main thing to her.
So show him that his example didn't go unnoticed.
She was always a girl who fought for you, always for you 💙
I could fight with half the world but always to dream and have a happy life with you that
you were his everything.

After DOI, post from Decedent's mother about Decedent and the incident. Within the caption she indicates there were four attackers and one of them passed way. Google Translation: Good afternoon family and friends, how have you been? Here, my heart is breaking into pieces every day that passes. I am more desperate for not being able to do anything to return my princess, who was snatched from me without compassion. Those four people who ended my daughter's life. Today they give us the news that the attacker says that today one of the four who killed my daughter died, but I am not confident or are they losing? They say that to set him free or that he is the son of some heavy. I hope that the entire Spanish community that is here in the United States supports us so that we are really sure of what they say. Blessings, kisses, these are the words of a desperate mother. My name is Dolores Cervantes, Sonia Villegas's mother.

Dear friend from our childhood!!!! That news you can verify it with a call that you or someone of your family to the same investigator, ask you want to be sure that that individual died or was killed in jail? I can also speak with the same pressure and how you are the mother, if you have to give the full explanation. Sending you a hug with all my love. From God our Lord, give you an early resignation.

Mi peor día de luto no fue
estando en su velorio, no,
mi peor día de luto fue
llegar a casa y querer
escuchar su voz, necesitar
un abrazo, necesitar sus
consejos, ese fue mi peor
día de luto 🕊

Me enseñaste tantas cosas,
guiaste mis primeros pasos
me tendiste la mano
cuando tropecé, me
enseñaste a perdonar y me
amaste sin condición,
pero.....Nunca me
enseñaste a vivir sin ti.

fallecido, algo dentro de mí
también murió y es que no
asimiló que nunca más te
volveré a ver, que nunca
más volveré a escuchar tu
voz, ni volveré a ver esos
ojos que brillaban como las
estrellas, desde ese día
cambié por completo, quise
ser fuerte pero no pude mí
vida se desbordó,

Sometimes everything is fine and out of nowhere you appear in a song, in a photo in the gallery, in the phrases of some stranger or in my thoughts and I have to pretend that everything is fine so as not to infect or spread sadness to our loved ones, I have cried for you under a scandalous silence, I have been so angry, but nothing works.
