CHANDLER, AZ — Multiple people are injured and road closures are in place after a crash in Chandler near Dobson and Elliot roads.

Emergency crews were called to Dobson Road and Shawnee Drive, south of Elliot Road, for a crash.

Chander police say an Audi was northbound on Dobson approaching Shawnee when a second vehicle, a Chevy, was turning onto southbound Dobson from westbound Shawnee. That's when police say the Audi collided with the Chevy.

Five people were taken to a hospital for treatment of their injuries, including two with life-threatening injuries.

Speed of the Audi does appear to be a factor in the crash, according to detectives on the scene. A criminal investigation is underway.

The image is a screenshot of a mobile phone screen displaying a Facebook post. At the top, the browser address bar shows the URL "facebook.com/photo?fbid=1215443739375888&set=a.125966294990310". Below the address bar, the Facebook logo is visible. The main part of the screen shows a photograph of two elderly men sitting at a table outdoors. They are both wearing dark jackets and appear to be smiling. On the table in front of them are some food items and a red can. The background features lush green trees and rolling hills under a clear sky. To the right of the photo, the post details are visible: it was made by "Ana Liku" on "December 31, 2022". The caption reads: "they are probably up their cracking jokes and happy to be reunited again 😊 — with Susietina ST and 5 others." Below the caption, there are reaction icons (love, haha, wow, sad) and a count of "56". There are also icons for liking and sharing. A section titled "Most relevant" displays several comments. The first comment is from "HengRuzz Tooa" and contains a long message in Tongan script about a funeral service. Other comments follow, mostly expressing sympathy or well-wishes. At the bottom of the screen, navigation arrows are visible.

Caption: my son Vaka Isitolo Tooa Jr & my dad Vaka Tooa Sr, were involved in a really bad car accident. ALL passengers in the vehicle had seatbelts on & were as safe as they could be. so did the vehicle that hit them. the vehicle that hit them was speeding SO fast, they hit my dads car & all passengers in both vehicles were injured in some way or form.. the vehicle that hit them was going so fast, it even pushed my dads car back from where it initially was. THATS how fast that driver was going. i don't say any of this cz an explanation needed to be made, but to make it clear that nothing could have prevented this or prepared my dad to go on a normal & regular happy meal run to mcdonald's to get Vaka Jr's fave. i miss my dad & son so much. their personality, voices, goofiness & everything about them. i love you guys so much☹☹ God gives & He takes. He is loving & merciful. my dad always taught us His word & truth will always carry us thru whatever was holding us up or weighing us down. my sister Fa said it best, May He lead us this year☹☹☹☹

CHANDLER, Ariz. (KPHO/Gray News) - Police in Arizona say they have arrested a man involved in a high-speed crash that killed two people last month.

[Arizona's Family](#) reports police arrested 27-year-old Gage Kauffman on Thursday in connection with a crash that killed a grandfather, and his 4-year-old grandson while injuring two others on Dec. 20, 2022.

Police said Kauffman was driving his vehicle that afternoon at over 100 mph before crashing into another car with a family inside.

Authorities identified the other driver as Vaka Tooa. Abigail Tooa was a passenger, along with Vaka Tooa's 4-year-old grandson, Vaka Tooa Jr.

Police said the impact of the crash ejected Vaka Tooa from the vehicle.

The family was taken to the hospital with serious injuries. However, the boy died the next day, and Vaka Tooa died ten days after the crash, investigators said.

Kauffman and his passenger were also taken to the hospital.

Court documents said Vaka Tooa was not wearing a seat belt, and his grandson wasn't in a car seat at the time of the collision.

Kauffman reportedly told police a different driver was in front of him and swerving aggressively into his lane before the crash. He claimed that the driver was trying to get him to crash into them.

According to court documents, Kauffman then sped up, trying to get away from the driver but authorities said his speed went from 85 mph to 107 mph before crashing into the Tooa family.

According to investigators, there were several times Kauffman could have slowed down or turned around to get away from the driver who was reportedly brake-checking him.

Court documents said Kauffman claimed he wasn't drag racing or speeding with any other cars on the road. According to police, the speed limit where the crash occurred is 45 mph.

Authorities said Kauffman was booked on two counts of reckless manslaughter, two counts of aggravated assault and two counts of endangerment.

Gage Kauffman was driving northbound on Dobson Road on December 20 at a high rate of speed, reported the ABC15.

Vaka To'oa Snr was driving another vehicle that was entering Dobson Road at Shawnee Drive. Kauffman's vehicle crashed into Vaka's vehicle.

Vaka To'oa Snr of Houma, Tongatapu, Tonga but was residing in Arizona was reportedly ejected from the vehicle and died on December 30.

His grandson Vaka 'Isitolo To'oa Jnr, a four-year-old boy, was also killed from injuries suffered in the crash.

The ABC15 report quoted a court document which said that Kauffman was driving over 100 miles per hour in a 45-mile-per-hour zone moments before the deadly crash

He faces two counts of reckless manslaughter, two counts of aggravated assault with a deadly weapon, and two counts of endangerment.

The family of the victims have announced that the deceased will be laid to rest this Friday 13 US time.

One of Vaka To'oa Snr's children and parent of the child posted a heartfelt message on Facebook after the deadly crash.

"My son Vaka Isitolo Tooa Jr & my dad Vaka Tooa Sr, were involved in a really bad car accident", the post read.

"The vehicle that hit them was speeding so fast, they hit my dad's car & all passengers in both vehicles were injured in some way or form".

"God gives & He takes. He is loving & merciful. My dad always taught us His word & truth will always carry us thru whatever was holding us up or weighing us down. My sister Fa said it best, May He lead us this year".

I'm so glad to have captured Aunty Fina in this photo. It definitely shows the role she has played for us since a young age & up to now. I remember the day of the accident we got home to clean up the front/back yard to prepare for the funeral.. we pulled up & her boys were already more than halfway done. Every day, she & her kids were helpful in every way possible with a smile.. no complaints, just a smile 😊 she even redid the kulasi on the fala kekeleke for little Vaka. His favorite color, light blue. love you so much Fina! [See less](#)
