A screenshot of a Facebook post from the page 'Stq MediaGroup'. The post is dated July 15, 2014, and shows a video of four people in a dark, urban setting at night, performing a dance. The video is titled 'Deeper By quazyman of Lubbock Tx.. Dance by the soreal cru'. Below the video, there are 'Like' and 'Share' buttons. The background of the screenshot shows a blurred view of the Facebook interface, including the user's profile picture and some text.

An aerial photograph of a resort pool area. The pool is a large, irregular shape with a light blue-green water. It is surrounded by numerous palm trees and lush greenery. To the left of the pool, there are several lounge chairs and large white umbrellas. To the right, there are more palm trees and some blue umbrellas. In the background, there is a large, multi-story building with a red roof and arched windows. The overall scene is a tropical resort setting.

Breaking: Graphic video recorded and uploaded to facebook just hours ago shows LAPD shooting a homeless man.

UPDATE

New Video Shows Moments Before Deadly LAPD Shooting

A security camera at the Union Rescue Mission captured the events leading up to the fatal shooting of a homeless man by LAPD on Skid Row Sunday.

Watch > <http://revolution-news.com/los-angeles-residents-respond.../> ✓

Community members will be meeting on Tuesday, March 3rd at the Union Rescue Mission on San Pedro between 5th and 6th at 8:00 am to march to the police commission meeting at LAPD Headquarters.

KTLA5 reports: Officers were dispatched to the area of East Sixth Street and South San Pedro Street (map) about 11:36 a.m. after a report of an altercation between two people, said Officer Jack Richter, spokesman for the Los Angeles Police Department.

After the officers arrived a struggle ensued, during which police tazed a man, the LAPD said. The man was then shot by police, the department said. He was pronounced dead at the scene.

Omg!!! Man y'all will not believe this. So today has started off as the craziest day that I can remember. First of all I have been on the phone with a bank about my personal funds for 2hrs straight. "Mostly on hold." I came outside to find I had a flat tire. "Roadside assistance took 2hrs." After standing in the "heat for 2hrs" I go take a shower and get fresh for the world. As I proceed to the bank to deal with that issue; I'm walking to the car a bird flies over me and shits. (It landed on my Fucn Forehead) I had to laugh... like wtf It's gonna take more then that for me to fold... Today is still a good day and I'm "Big Blessed!!!Remy Martin time!!!!

Extended Stay America - Dallas - Coit Road

All I can say is that the ESA 12121 Coit Rd, Dallas, TX 75251; has really impressed me. Rooms are clean and the property is always clean. I travel for business. I have experienced nothing more than excellent hospitality from the entire staff (Kasha, Mischa, David T, David B, Clover, Leo, Shon and Ana.) Now you know they take care of guest & business when you can name staff members! 🤔 I most certainly recommend this place when traveling and looking for a great location.

🍷 Hotel management David was rude and very unprofessional had an attitude with several guests and walked around with an attitude as if he owned the place; he was very condescending to one young lady after a mis communication about her room. The hotel itself is nice. The night staff was friendly. 🍷

**Hatter Law Firm**

821 SW 9th Ave, Amarillo, TX 79101

★☆☆☆☆ 2 weeks ago

Attorney Todd Hatter has shown himself to be a bigot who displays little to no genuine concern for his clients. Rather than advocating for justice, he appears easily swayed by prosecutors, often sweeping cases under the rug instead of mounting a meaningful defense. His lack of fight or conviction—except when pushing for felony convictions—reveals a troubling disregard for fairness. Known for his cynical and sarcastic demeanor, Hatter comes across as flat, disinterested, and unprofessional, leaving clients feeling unheard and unprotected in the very system meant to defend them.

I'm from Chicago. I thought I was walking into some place special. The Food is trash. I asked for ranch to go with my chicken .. Chick told me it was 50 cent. She said I didn't have enough wings to get ranch w/ my meal. They were out of stock on tons of food items. It was hot inside. Then she wanted me to re-swipe my credit card for 50 cents worth of ranch. The bathrooms are blocked off by a table on the floor; yet you allow customers to dine in. Yeah this place gets a 5 star (THUMBS DOWN).

Skip this place and go get some real food else where!!!!!!
