VISIONS AND PATHWAYS Spring 2020 Newsletter

Visions and Pathways celebrates 50 years in operation

For half a century, Visions and Pathways has helped put the pieces together for teenagers and young adults whose lives have been shattered. In 2020, the nonprofit celebrates 50 years of mended young people's lives, and its supporters are reflecting on the organization's growth. From a single residence for abused and neglected youth, Visions and Pathways has expanded to nine residences in two counties and has established a host of outstanding programs in counseling, medical attention, education, recreation, career advice through mentoring, financial literacy, and outreach to homeless teens.

Today the organization employs more than 50 people, runs specialized departments in education, the arts, and behavioral health, and aids area families in distress through in-house case management.

"We've been able to do so much for youth in our 50 years," said David Walker, CEO and executive director, a graduate of Stanford University, Georgetown Law School, and Columbia University School of Social Work, where he received his MSW. "Strong Boards of Trustees over the years have guided our growth, and hundreds of individuals, companies, businesses, churches, and social and civic organizations have provided the funding to bring us to where we are today," Walker noted.

Additionally, he paid tribute to the caring employees and professional staff over the years who were and continue to be so dedicated to making Visions and Pathways a safe haven for youth at risk.

Looking back to 1970, the organization began life as the Somerset Home for Temporarily Displaced Children, a simple shelter for teens who faced difficult family situations. Some were

neglected; others were abused. But with Central New Jersey, along with the rest of the country, facing mounting teen drug abuse, family dysfunction, homelessness, and even human trafficking, the non-profit began to build more group homes. It started to add services in outreach such as Street Smart, located in Morristown, along with abuse prevention programs and life skills instruction for those aging out of foster care.

In 2016, the Somerset Home changed its name to Visions and Pathways. Walker said the name change reflected the group's expanded mission, especially in family reunification and housing support.

What do the next 50 years entail for Visions and Pathways?

- The organization will look to place greater emphasis on preventing families from being displaced.
- The Department of Education has been

reformulated (see related story in this issue) to increase academic proficiency in the S.T.E. M. fields and to double team with personnel in local high schools where Visions and Pathways residents attend.

- Providing affordable housing for youth in transition is another part of Visions and Pathways' blueprint for the future. The group's proposed Bridge House project, now in the process of being funded, will provide an affordable place to live for older teens and young adults. "An enthusiastic team of volunteers is committed to making Bridge House a reality," noted Walker. Other housing avenues are being investigated, he added.
- The organization intends to work more closely with community-based programs for youth who may not reside in its group homes but who are in foster care. According to Walker, there is a tremendous need to teach life skills and financial literacy as these young people age out of foster care.
- As the 50th anniversary year started, Visions and Pathways elected a new board chair, Stephanie Durant. Longtime Senior Life Skills Counselor Steven Neblett was named Director of Residential Services, replacing Carlotta Spence, who retired after more than a decade.

"As we celebrate the success of our first 50 years, we look forward to what more in the way of support we can offer our youth in the future," said Walker.

Following state directives during Coronavirus outbreak keeps Visions and Pathways youth and employees safe

The COVID-19 pandemic has changed the lives of everyone at Visions and Pathways. The organization to our services, and our staff in our homes cannot consistently follow social distancing

Volunteer Spotlight Just when you think a NJ radio personality can't do more for young people . . . she does

Visions and Pathways super volunteer Zonie LeSane operates at one level – high octane.

Since getting involved with the organization less than a year ago, LeSane has collected \$5,000 for Visions and Pathways programs, spoken at a mentoring event about entrepreneurship, and helped cook Thanksgiving dinner for residents.

Through her vast list of contacts (people call her "a connector") LeSane has persuaded prominent businessmen and women and professional athletes to come to Visions and Pathways to speak to our youth.

Not only that, she often mentions Visions and Pathways on her public radio show on Friday nights, 7 to 10 p.m. on Station WFDU, which operates out of the Fairleigh Dickinson campus in Teaneck, New Jersey. Through the show, which is on 89.1 FM and is called "Back in the Day," people across the state get to learn about the Visions and Pathways mission. David Walker, executive director of Visions and Pathways, has been a guest on the program.

LeSane, who lives in Hackensack and is a paralegal with the County of Bergen, said she learned about group homes when she was young. She happened to visit a friend who resided in a group home. "That visit always stuck with me," she recalled. "That was back in the 1980s."

Fast forward to 2019 when she learned about Visions and Pathways from Facebook friends (she has 4,000 followers) and jumped headlong into volunteering.

She believes in how Visions and Pathways gives at-risk youth a fresh start and much that will mean to them when they start their adult lives. "Adults shouldn't forget where they come from," she said. "That is what made you the person you are today."

On Nov. 13 LeSane spent a few hours talking to residents about careers and entrepreneurship at Visions and Pathways' bi-annual mentoring workshop.

THANKSGIVING DINNER was cooked and served to Visions and Pathways residents by volunteer Zonie LeSane and students from Bridgewater-Raritan High School.

An energized LeSane then went out and collected new winter clothes for residents. After "asking a few friends for donations," she was able to collect \$5,000, which she presented in a check to the organization.

A few weeks later, this dynamo was back at Visions and Pathways cooking and serving Thanksgiving dinner with students from Bridgewater-Raritan High School.

New volunteer projects include a sneaker drive and more fundraising.

The ideas she has for volunteering to benefit Visions and Pathways are seemingly endless. But

Le Sane is equally dedicated to other non-profit causes. She is active in politics, does mental health counseling related to displacement, and is board president for the Bergen CASA (Court Appointed Special Advocates). This group recruits and trains advocates for a child or a sibling group who has been removed from their homes by the Division of Child Protection and Permanency. New Jersey Family Court Judges assign children to available advocates like LeSane, who ultimately become their voice in court. "I want my carbon footprint to give back to the community," noted LeSane.

You can make impact: a gift in will or trust

Interested in helping homeless teens, both now and in the years ahead? A simple, flexible and versatile way to ensure Visions and Pathways can continue our work for years to come is a gift in your will or living trust. Your gift also entitles your estate to an unlimited federal estate tax charitable deduction.

Some of the legacy investments you can make also include:

* **Retirement Plans** – Designate Visions and Pathways to receive part or all of what remains of your retirement plan after your death. Such transfers can be a tax-efficient way of making a gift. For example, heirs may receive as little as 30 percent of a retirement plan from a large estate

after estate and income tax, while Visions and Pathways would receive 100 percent of it.

* **Insurance policies** – Designate Visions and Pathways Home Endowment Fund to receive all or part of a life insurance policy. Ask your insurance company for a beneficiary designation form.

We also welcome donations of stock and other securities. To learn more, please contact Visions and Pathways Director of Finance Indumati Patel at 908-526-6605 or ipatel@visionsandpathways.org.

If you include Visions and Pathways in your plans, please use our legal name and Federal Tax ID.

HACKENSACK, NJ - Zonie LeSane was selected to fill a vacancy on the Hackensack Board of Education in a special meeting that ran over five hours on Monday night.

LeSane was one of five candidates who gave five-minute presentations to the Board members. Other candidates were Marlene Somerville, Susan Baglieri, Jennifer Maury, and Demetrius Carroll.

LeSane has worked for Bergen County since 2009, currently in the Parks Department. She is a paralegal specialist and Certified Public Manager (CPM.) A member of the Bergen County African-American Advisory Committee, she volunteers with Bergen County CASA (Court Appointed Special Advocate) and the Boys and Girls Club of Lower Bergen County. She called herself an "ally" of the LGBTQIA community. She stated her child is a 2016 graduate of Hackensack High School.

The special meeting opened with a 90-minute presentation from the New Jersey School Board Association, and a closed session to discuss potential litigation. When the meeting re-opened it took comments in a Public Session which lasted until just after 10pm. 28 residents addressed the Board, asking that the school district remain on virtual learning. The [district announced last week it will re-open for in-person classes](#) on January 25. The Board had to extend the meeting until 10:30pm, as it has a 10 pm curfew for holding meetings.

The vacancy opened in late November when [then-Board member Frances Cogelja resigned after accidentally broadcasting herself in the bathroom](#) during the district's virtual November meeting.

Residents who wanted to serve had through [January 4 to submit a letter of interest](#).

LeSane is scheduled to be sworn in at the next Hackensack BOE meeting on Monday, January 25.

HACKENSACK—Bergen County CASA (Court Appointed Special Advocates) on Sept. 30 held its 2024 *Fore the Kids Golf and Pickleball Classic* at Edgewood Country Club in River Vale, bringing together community members for a day of fun, competition, and philanthropy.

The event, led by honoree Marc Blatt, newly appointed vice president of CASA's Board of Trustees, is being hailed as a tremendous success. Participants enjoyed lively rounds of golf and pickleball, all while supporting Bergen County's most vulnerable children.

Attendees were treated to a buffet dinner, wine, and beer, making the day even more special. Blatt's daughters—Hadley, EJ, and Alexis—played pickleball for the first time to support their father. His wife, Lindsey, and father, Howard, also joined in, adding a heartwarming family touch to the day's activities.

Kundert Volvo of Hasbrouck Heights, a longtime supporter of Bergen CASA, has sponsored the organization for the past three years and once again provided a hole-in-one car for the event, as they have done for every Golf Classic over the past four years. Their ongoing commitment is deeply appreciated.

The funds raised from the event will help CASA continue its mission of advocating for the more than 120 children in Bergen County's foster care system. CASA volunteers are often the only consistent adult presence in these children's lives, representing their best interests in court and providing much-needed stability.

"These events not only help raise critical funds but also bring attention to the needs of foster children in our community," said Lucy Rosen, executive director of Bergen County CASA. "We are incredibly grateful for the support we received, especially from Marc Blatt and his family."

Blatt brings years of leadership experience to CASA from his work with Rampart Agency and his service on advisory panels and the foundation board of Englewood Hospital. His involvement in the Golf and Pickleball Classic helped rally support for CASA’s mission, and his dedication to the cause is a source of inspiration for the community.

Stay Involved: Events and Volunteer Opportunities

Bergen County CASA has more events lined up, and the community is encouraged to participate. On Dec. 12, join CASA for a special **performance** of *Percy Jackson and the Lightning Thief: The Musical* at the Bergen County Players Theater, and mark your calendars for the Annual Casino Night on May 7, 2025, at Seasons Catering in Washington Township.

In addition to these events, CASA is always seeking dedicated volunteers to serve as advocates for children navigating the foster care system. CASA offers volunteer training, and the organization is particularly in need of male and Spanish-speaking volunteers to better meet the diverse needs of the children it serves. To learn more about volunteering, visit bergencasa.org/become-a-casa.

“Foster children need stability and support, and CASA volunteers provide that crucial lifeline,” said Rosen. “We welcome anyone with a passion for helping children to get involved.”

Through the generosity of sponsors, participants, and volunteers, Bergen County CASA can continue to make a positive difference in the lives of foster children—one advocate at a time.

It's truly uplifting to know that some of these gifts will be designated to this family here in Bergen County. We must always remember those who are less fortunate and always be willing to give, and support whenever possible. Thank you, Sheriff, for this spectacular evening of bringing us together along with our men and women in law enforcement. Big, thank you to Conway, and Ryan at The Pantheon

zonie_lesane Embracing the spirit of the holiday with our remarkable Bergen County Sheriff, Anthony Cureton, at his holiday toy drive, who is a shining example of compassion. What made this evening so inspiring? It's a heartwarming story he shared of the family he recently encountered who had a fire and lost everything. It's truly uplifting to know that some of these gifts will be designated to this family here in Bergen County. We must always remember those who are less fortunate and always be willing to give, and support whenever possible. A Message from Zonie LeSane, Chair of the Bridge House Capital Campaign

Zonie LeSane

Hello All, as Chair of our Bridge House Campaign, it's with great honor that we're announcing this initiative. I would like to take this opportunity to express my heartfelt thank you to Visions and Pathways. I truly appreciate the time that I'm spending working with our Board and

all the staff bringing this tremendous project to life.

This will be a great opportunity to work and learn from the many volunteer committee members that will come together to help us move this project over the finish line towards our goal.

I look forward to your support and working with many of you as we launch this project forward, which will serve so many of our

"Leadership is not about titles, positions, or flow charts. It is about one life influencing another."
John C. Maxwell

Bridge House raises over \$1.5 million. **Closing the Gap to Independence, Bridge House** is an affordable housing project planned for 8 Third Avenue in Bridgewater. A two-bedroom house and detached garage are currently located on the property that is owned by Visions and Pathways (V&P). Upon completion, the new building will consist of ten (10) studio apartments and accommodate very low-income individuals. Support services for the residents will be provided through V&P's Prosperity independent living skills program and our Behavioral Health Department.

All V&P's group homes are staffed 24 hours a day, seven days a week. Through Prosperity's staff, the Behavioral Health Department's counselors and the other V&P staff in proximity, Bridge House will receive comprehensive support.

the age at which most state support discontinued. Each year, approximately 100,000 youth in New Jersey age-out and are without access to safe, affordable housing. Studies have indicated that approximately 10% of youth who have aged out become homeless. Bridge House will help reduce acute need to provide stability to a high population.

Visions and Pathways has secured the funding and received preliminary plan approval. Based upon code changes, it is necessary to obtain new approval from the local planning board. Securing

sufficient capital funds, estimated at \$1.5 million, is the primary hurdle to move forward with this exciting affordable housing project. HOME funds made available through the American Rescue Plan, \$1.165M to support Bridge House will come through Housing and Community Development. In addition, the Federal Home Loan Bank of New York (FHLB) awarded V&P \$400,000 to support Bridge House.
